

We need your help. We are currently looking for volunteer/volunteers to help with our quarterly newsletter The Apple Press. Your duties would be to do the layout of it in Acrobat PDF preparing the file to be sent to the printer. If you are interested in helping out or know someone that does, please contact me Beryl Chamberlain at our email address [applewoodacreshomeowners@hotmail.com](mailto:applewoodacreshomeowners@hotmail.com) or call me 905-601-1572
