### **Instructor Workshop Proposal**

The Natural Fiber Fair is held the weekend after Labor Day. This year, 2025, the dates of the fiber fair are Saturday, September 6th and Sunday, September 7th. Following the instructor proposal submission deadline (April 1), instructors for this year's workshops will be chosen based on classroom size and topic.

As you know, full workshops benefit both the instructor and the Natural Fiber Fair. To optimize attendance, we use a variety of methods to advertise the Natural Fiber Fair workshops. In addition, teachers are expected to help promote their workshops and provide promotional details for Natural Fiber Fair use.
