Please let us know if any of your contact information should not be included on the website. ** New vendors; Please describe your merchandise, display and include a photo of your booth.

Items to be sold must be fiber related. Our goal is to provide a great fair that supports our artisans and producers. You may sell items you make yourself or items manufactured from fiber you produce. Weaving supplies, tools, books, yarn and fabric are also allowed.

Imported finished goods are not allowed. These items include garments, scarves, hats, toys, gloves, hangings, placemats, bags, rugs and other finished items. An exception may be made for cooperatives that work directly with artisans from other countries, at the discretion of the Fiber Fair committee. We will ask you to remove items that are not allowed.

EDUCATION: Demonstrations and workshops are a major aspect of our fair. We strive to offer wonderful workshops and demonstrations to inspire the attendees. We ask all vendors to offer at least one demonstration in the exhibit hall. Please explain your demonstration as you would like it to appear on the web site and program. Include any material fee to be charged to participants.

We also ask that vendors donate small items for door prize drawings during the fair weekend. Participating vendors are entered into their own drawing for a free booth space in the following year.

Vendors are welcome to teach workshops – please see the workshop details and form on the website.
