Simply put, one of the best teams ever.

The Haslett / Williamston co-op girls lacrosse team over the years have grown into what is not only one of the best lacrosse programs in all the area, but one of the best examples of what a team can be.

From my view on the sidelines I have watched the seniors grow to become leaders of the game, the team dominate across all levels of competition and declare they are the standard of which other teams are to measure themselves against.

Game in and game out.

From my view through the lens I have watched this team change. I think of not the goals, but the smiles. The goofy joyous dancing mid game, the camaraderie click, the way they raised each other up and ultimately become an excellent personification of the communities they represent.

Well done ladies of 2026 HW Lacrosse.
On a fantastic season and so much more.

PHOTO OF THE MONTH

SHAD FRITTS

The Capital Diamond Classic is just different. The grand stage at MSU. The biggest crowds of the entire season and an expectation that is impossible to meet in games of glory that force you to rise to meet it.

On air we called them the “Walk Off Kings”, Lansing Catholic won not once, but twice in walk off fashion and there is nothing that captured that moment, the energy and the outburst of absolute joy of the tournament better than this photo.

Which is why it was chosen as our photo of the month.
