# INTRODUCTION

Dual Covers.

Not something you'd expect to see - but when working with the men and women of Capital Pro Wrestling, you can't hardly ever predict what is to be expected.

We are proud to bring to you images, personalities and people behind CPW for our May edition. Don't let the outer imagery fool you. They are gracious, kind, generous and incredible representatives of our greater Lansing communities. We recognize their work this month specifically as a thank you to their charity work in local Lansing, particularly those fighting leukemia and cancer.

To the world of the ailing, the pageantry, spectacle and showmanship that CPW brings is a welcome moment of respite. For it's hard to hurt when you are having so much fun.

To those at CPW - On behalf and your fans and greater community we offer a sincere, thank you.

You represent the best of us, in ways both unimagined and unexpected.

# PHOTO OF THE MONTH

---

GLEN  
DUDASIK

What are we without someone? Someone to guide us, to teach us, to lead us? Someone to show us through dark days and light the best in ourselves is always yet to be revealed. So who is it that helps us become the best version of ourselves?

Is it the teacher? Or is it the student? The truthful answer is simply both.

This photo embodies that relationship; not a journey to the end but a pathway for what is yet to come. That is why we chose it as our photo of month.
