

Karen Goodhart

Biography

I started my career with Marriott International at the Courtyard Valley Forge, PA. One of the first managers I met was Chris Furis and we immediately formed a friendship that would grow through my many years at Marriott. Prior to that I have worked in sales representing several large companies. My sales experience has helped me focus on driving occupancy and revenue with Marriott by working with corporate accounts, travel groups, and sports teams.

In late 2020 Chris invited me to join his lifelong dream of opening a Restaurant in Ambridge, PA. Currently as Sales Manager for Penny's Delight I focus on driving catering business, scheduling for charity events, and spreading news of Penny's Delight around Beaver and Allegheny Counties.
