022 151 1243

Business Systems Sorted will design* a professional website that reflects your business, plus provide an optional annual 2-monthly service of reviews/updates, and email newsletter. Also available, an annual social media calendar for your business Facebook page posts.

- Get a professional on-line presence
- Keep in touch with your key customers on a regular basis
- Become easier to find for prospective customers, potential purchasers and quality candidates.

Online Services

Website Design* & Updates

Initial website design*

Professional website, personalised to your business, consisting of five main pages:

- **Home Page:** Two service descriptions with "call to action" links, contact link (email form) and location map.
- **About Us:** History of your business, your team (including photos) and photo gallery.
- **Services:** Description of the services/products you provide including photos.
- **"Highlight" Page:** Highlight your point/s of difference, profile specific service or product, etc.
- **Contact Us:** Contact details, location map and email form.

Annual update service

Every two months, Business Systems Sorted can review and update your website with any changes. In addition, provide an email newsletter for distribution to up to 100 of your key customers/contacts.

Annual social media calendar

Business Systems Sorted can provide an annual social media calendar for your business Facebook page posts. (Based on 1 direct sell post to every 4 general posts for a 12-month period).

IMPORTANT NOTE:

Business Systems Sorted uses GoDaddyNZ templates. The above services **DO NOT** include domain name and yearly hosting fees. The client is required to pay these directly (by credit or debit card) to GoDaddyNZ prior to the website being activated. GoDaddyNZ prices at the time of writing are: Domain names starting from \$37.99*, annual website platform hosting fees \$179.88* (*GoDaddyNZ prices are **GST exclusive**).
