Follow-Up Forum: Long Lake Fire Service Updates

The City of Long Lake will be holding a 'Follow-Up Forum: Long Lake Fire Service Updates' open house event on Thursday, May 18 to share the latest information regarding ongoing Long Lake Fire Department discussions, and to welcome community input from any residents of our fire service coverage area (Long Lake, Medina, Minnetonka Beach, and Orono). We'll also be taking a moment to introduce everyone to our new Fire Chief, Mike Heiland. A quorum of the Long Lake Council will be in attendance at this event.

FOLLOW-UP FORUM: LONG LAKE FIRE SERVICE UPDATES
Thursday, May 18
6:30 pm - 8:30 pm
Calvin Presbyterian Church – Fellowship Hall
(177 Glendale Drive, Long Lake, MN 55356)

We must note that we continue to be sincerely appreciative of our Long Lake Fire Department firefighters, who are truly committed to the safety of the friends, neighbors, and communities our Department serves. We recognize that the ongoing situation with regard to the future of fire services in Long Lake and surrounding cities has undoubtedly been a distraction, and we're deeply grateful to our team of firefighters and officers for leading by example.

If you may be new to learning of this important matter and are looking for further background information, please visit the homepage of our website at www.longlakemn.gov. Links to news, correspondence, and a [video of our last open house](#) held on November 17, 2022 are available for your viewing.

*Thank you for your interest in City of Long Lake news and information,
and have a great day!*
