

Accept payments and manage your restaurant business with Clover Station Solo

A powerful, all-in-one restaurant point-of-sale (POS) device to manage your dine-in, take-out and delivery services

Clover® Station Solo provides the power you need to process guest payments, print receipts, track sales transactions, and run Clover's software to manage your restaurant business.

The convenience of all-in-one

Accept payments in-person or over-the-phone, enter and fire orders to the kitchen, print bills and receipts and access the Clover Dining software to manage your restaurant.

The power to run your business

Runs on a high-performance chip and the latest operating system to give you the speed you need.

Security built-in

Control access with roles and permissions, fingerprint login and two-factor authentication.

A powerful POS system to accept payments and run your business

- Accept card payments with the card insert and swipe slots integrated into the screen
- Take orders over-the-phone by keying in card information in Virtual Terminal
- Print receipts with the included printer
- Manage orders, inventory, employees and other parts of your business with Clover Dashboard
