

Support the JTO & the DJA!

YOU CAN NOW RECOMMEND WHERE YOUR SUPPORT GOES WITH THREE CHOICES.

- ✓ 1. You can choose for your dollars to go to the general fund for need-based scholarship.
- ✓ 2. You can help the DJA directly by choosing a school fund that will help the students attending that school.
- ✓ 3. You can recommend a particular student at the DJA.

All three choices are eligible for Arizona's dollar-for-dollar private school tuition state tax credit

The process is simple:

- Give your support online and fill in the optional recommendation selections. If you do not make a recommendation, your support will go to the general fund for need-based scholarships; or
- Call the JTO office or the DJA office and we are happy to help you.

The deadline is April 15, 2019, or whenever you file your taxes - whichever comes first.
