Dear Kristen Snowden and Chrystal Bader:

I need copies of my police reports! TODAY. I know your cunts smell as bad as your attitudes, but try to remember I am tax payer and voter, therefore you boss, so try to do you job and not let your shitty attitude ruin the moment. Here is my question:

Dear Senator Wyden (and others)

I have been trying to get legal aid for over a year now. Senator Ron Wydens office contiues to promise me my day in court over Portland State Universities criminal activities. Since clearly I have been tried, convicted and civil rights violated and nobody cares or plans to do any thing, I have to ask, "Do I have to walk into a school and open fire to obtain my legally permissable copies of any and all of the police actions that led to my current conviction(s)?" PSU continues to maintain an illegal website making impossible for me to gain employment and support myself, again without due process of law. I have been fined and that is on my credit report, without due process of law, I have had my home searched and seized withoud due process of law, and I just wonder why does the law not apply to me? Why is it Glock is my only friend and nobody violates my rights when he at my side. Of course the last time the police were here harrassing me the admitted, "What PSU did was illegal." and they left, of course no police report copies for me regarding that incident either, but I have pictures! I just want my day in court even if you require me to walk into a school and open fire just to get people to discuss this incident with me. I have had enough of my rights being violated, I sucked Dennis Michael Pughs dick and swallowed 20 years ago to make the State of Oregon happy and now when we go to court everyone is going to know you knew this whole time. I cant even see a mental health counselor. The last time after being ordered by PSU to see one and suspended so I could, I got expelled for the treatment I did receive, that was confidential and PSU was not even on the release of information. I was expelled when I wasnt even a student. Sir I see that action as a threat, and I intend to retaliate with equal and greater power. This is war. I am looking forward to another of war with Portland State University. So whats is gonna be Mr. Senator, either way an arrest or not, this case will make it the press, lets go!!!! Ive been waiting for you promise of day in court for over a year, but I have gotten are the "secret courts" that need to be exposed. This has gone on long enough and for 710 a month in SSI, I obviously cant afford legal, so if you cant do something about this, I will have no choice but to handle PSU myself.

A suggested strategy for dealing with the e-mails from Greg Reynolds is outlined in the e-mail above. It will require a letter from University Counsel. If this is the strategy we agree to, I can provide the letter to Detective Hakala for delivery.

This should only occur after we confirm that Mr. Reynolds E-mails have been sequestered/blocked by OIT.

Chief Zerzan,

I talked with the DDA Adam Gibbs in regards to all the emails. Until the "threats" become specific, IE: specific threat toward a specific individual, we are stuck dealing with Mr. Reynolds as his current emails/statements do not cross to the criminal level. We looked at Stalking, Telephonic Harassment, and Harassment, but the ORS states toward a specific individual vs a generalized threat that he has been sending.

We agreed that a formal letter drafted by your legal department would be an appropriate approach to this delicate situation. In that letter, it should be mentioned that the emails and conduct are unwanted, threatening and cannot continue and should stop immediately, are forbidden, etc. In addition, verbiage stating that no further contact should be made to PSU or the specific individuals PSU chooses to name in that letter except for your legal contact for his official business in regards to his tort claim. Once this is drafted, we can deliver the letter to him.

The hope would be Mr. Reynolds stops his mass mailings. Should he continue to send emails, please forward each to me as I am and will continue to document them and will keep DDA Gibbs advised on current events. It is my understanding that per our conversation, no specific individual at PSU is still getting emails as PSU has created a folder that filters for Mr. Reynolds emails and now are redirected to you only? Should the threats develop and be more focused, then I will work with DDA Gibbs to see if an arrest is warranted. In the mean time, MCSO Deputies Cortada (Corbett SRO) and Graziano (Corbett Liaison Deputy) will continue to attempt to establish contact and develop a relationship with Mr. Reynolds and will document each contact or attempted contact in an MCSO report.

Please let me know if you have any questions.

Thank you,

### COMPLAINT

20 years ago I denied my right to legal counsel when Lane County had no evidence. I was taken into a conference room my Dennis and told if I accepted the plea I would have no jail time, 80 fee, community service and I could get it expunged in 10 years and go on with my life. The entire time his dick was in my mouth, he was stoking the back of my head assuring me, "its ok son" "youre doing the right thing boy" "its all gonna be better now". Well its not. Nancy Cozine, Governor Kitzhaber know, 2 Oregon Senators and I was expelled from PSU over it. I asked you guys to help me with an attorney day before yesterday and all you did was send out the Multnomah County Sheriffs office. Did you know the court already has the evidence of the Sheriffs department and PSU criminal activity? And now you are a witness. The cops keep coming to my

home without warrants. I have been tired and convicted already of things I have not done never seen a day in court. At what point can I shoot these people for violating my rights, get protection from the courts, or aid from you? No threat there, but a very serious question. I already left a message for Judge Nan Waller about the police and your connection to trying to ensure this case doesnt see a court room. Are you guys also trying to tamper with a civil rights case? My supporting documents are all on line, available to the public if you just google civil rights for Greg Reynolds, or you can contact the Smell Cunt Whore at Portland State University for all of the latest information or contact Judge Nan Waller, or Nancy Cozine at the Oregon Public Defenders office. See you in court, one way or the other.

Dear Emily Hebbbron-

Once again the Multnomah County Sheriffs Department has showed up at my residence with no warrant. I have filed suit against them and now I have to ask. At what point can I open fire when my rights are continuing to be violated like this? This is a serious question and you sit there on your smelly cunt, doing nothing when I may get killed and I have committed no crime or made any threats to anyone, the courts have ruled on that. I will be taking any actions necessary to guarantee my rights will no longer be violated by either Portland State University, PAMC, or the Multnomah County Sheriffs office, they are criminals and I no longer recognize their legitimacy. They are trespassed from my property and I will use any means necessary to defend it.

Good Day

Dear Mr. Wood:

Regarding your letter dated 30 January 2014. I am glad to hear that you condone Mr. Pugh forcing me suck his dick and swallow his cum in exchange for a plea with no jail time. I am also glad to see that you also condone people being charged, convicted of felonies after being denied attorneys to represent and no marijuana seized. Its people like who make things like Sandy Hook Elementary School justice and not tragedy. I am also glad to see that you will be taking no further action. It means you also agree that the laws of the United States of America and the laws of Oregon do not apply to me and I have every right to take any actions necessary to defend myself from these people and these lies. I will be using you letter and my evidence in the attached court case. I hope DM Pughs goes home, puts the gun in his mouth and pulls the trigger in the name of Jesus Christ, PSU and Justice! Amen.

Thanks for protecting the guilty business as usual in the state full of corruption!

Dear Mr. Wood:

Regarding your lack of evidence for the Dennis Michael Pugh abuse of power and rape... Nancy Cozine, Director of the Oregon Public Defenders office has taken complaints at PSU for the sexual abuse of DM Pugh. I was prosecuted for saying so without due process of law. I was entrapped by PSU and have to purchase firearms because of my fear of PSU's terrorist task force.

I spent 12 days held against my will in Portland Adventist Medical Center where Dr.'s Lynn Perrr-Rose, Dr. Deberre and all the nurses spend 12 days hearing about the sexual abuse of DM Pugh. In 2012 in court, case 120970073. <this case was dismissed, however PSU has determined otherwise to spite the law> <another reason I have to purchase firearms to defend myself against these terrorists. I have had my home searched by police with NO WARRANTS and in each of their police reports, which I am not 'privy' too the rape and sexual attack by Mr. DM Pugh is in the record. As it has been in all of my medical records for the last 21 years since it happened.

So my pencil dick. What is my only justice? Are you going to lead to believe that only justice in the state is to walk into a school and open fire? Is that what you are saying? The US Supreme Court has ruled if you dont answer, then your answer will be entered into the record as "affirmative". As PSU and the state of Oregon have done in my case. Oh yeah, I am on Social Security Disability because of what DM Pugh did 21 years ago in that conference room!

Fuck you asshole!

Lets not forget Mr. Wood...each and every member of the US Senate knows, every US Governor and one HUGE file at Social Security.....so do. Call the police so we can go to court. The Multnomah County Sheriffs office is refusing to serve PSU with my civil suit so I need a charge so we can get into court and talk about this. Apparently even the Sheriff can prevent a civil case!!! So get warrants and arrest me PLEASE!!!!!! I only want my day in court!!!!!!!

Mr. Reynolds:

I did not understand your initial complaint to include a literal allegation of rape or sexual acts. The wording of your initial complaint led me to believe that you were referring to the sexual acts as a figurative or analogous description of your plea bargain negotiations. In light of this new understanding, I will re-review your initial complaint, and your six subsequent emails to determine what ethical rules are implicated and whether Mr. Pugh needs to respond.

I will give you my response via U. S. Mail. You should receive this response within a week or so. If we ask Mr. Pugh to respond, you will be copied on that letter. If we do not ask Mr. Pugh to respond, the letter will go directly to you, and you will have a right to appeal.

For our process to work as efficiently as possible, please refrain from future unsolicited communications to the bar. We will ask you for additional information when it becomes needed for our review. Unsolicited responses will only produce delays in our review and analysis.

Please keep in mind that both the complainant and accused lawyer will receive a copy of any written communications to the bar. Additionally, all written communications on this matter are a public record. Thank you for your cooperation during this review.

Sincerely,

Re: Subject: TJW 1400136  
Your January 25, 2014 submission to the Oregon State Bar

Dear Mr. Reynolds:

We have reviewed your submission dated January 25, 2014 in which you list D. Michael Pugh as the attorney you are complaining about. The Client Assistance Office (CAO) is responsible for reviewing concerns regarding Oregon lawyers. Under Bar Rule of Procedure 2.5 and as resources permit, CAO determines the manner and extent of review required to determine whether there is sufficient evidence to support a reasonable belief that misconduct may have occurred warranting a referral to Disciplinary Counsel's Office. Misconduct means a violation of the rules of professional conduct and applicable statutes that govern lawyer conduct in Oregon.

Your intent in sending us this correspondence is unclear. Your letter does not identify any unethical behavior or actions on the part of Mr. Pugh. If you want to file a complaint against Mr. Pugh, please identify the specific conduct you believe violated the ethical rules that were in effect at that time. Please include with your complaint any independent evidence that would corroborate your claims against Mr. Pugh. We will then review your complaint and determine if a response from the lawyer is required.

Based upon the information submitted, this office will take no further action on this matter. I hope that this information is helpful.

Sincerely,

Troy J. Wood

D. Michael Pugh (Greg M. Reynolds)

Dear Mr. Pugh:

The Oregon State Bar has received the enclosed correspondence from Greg Reynolds. The Client Assistance Office (CAO) is responsible for reviewing concerns regarding Oregon lawyers. Under Bar Rule of Procedure 2.5 and as resources permit, CAO determines the manner and extent of review required to determine whether there is sufficient evidence to support a reasonable belief that misconduct may have occurred warranting a referral to Disciplinary Counsel's Office. Misconduct means a violation of the rules of professional conduct and applicable statutes that govern lawyer conduct in Oregon. Mr. Reynolds' concerns may implicate the provisions of DR 1-102(a)(2) or 8.4(a)(2).

In order for me to conduct a fair and informed review, I would like to have your account of the matter on or before March 11, 2014. I am able to grant an extension of the time to respond for good cause, if requested before the deadline.

A copy of your response will be sent to Mr. Reynolds. If appropriate, I may request he comment on your response. All material submitted by the parties in the course of this review is public record and both parties will receive copies. Please limit your response and any documents you send to the ethics issues presented. I am confident I will receive your full cooperation in this matter. You should be aware, however, that if you fail to respond to this request, this matter will be referred to Disciplinary Counsel's Office for further review.

After I review all documentation and information gathered in this matter I will determine if there is sufficient evidence warranting a referral to Disciplinary Counsel's Office for further evaluation pursuant to BR 2.5(b)(2). CAO determines the manner and extent of review required for the appropriate disposition of complaints.

D. Michael Pugh

Thank you in advance for your cooperation. I look forward to a fair and expeditious review of this matter.

Sincerely,

Mr. Allman,  
Yes, we have had a lot of issues with Greg Reynolds. He has made threats to shoot at Portland State University and has made other implied threats to shoot at a "local" school. He did this as recently as yesterday where he emailed a congressman in Washington DC and stated that he was going to shoot a "local" school. The officials, in turn, contacted us.

I've cc'd Detective Rian Hakala who basically manages all incoming complaints about Mr. Reynolds. We have worked with our local District Attorney's office and have discussed legal options with dealing with him. We did contact him on one occasion and we checked his house and did not find any weapons. So yes, we are very aware of him. We are using the same case# for all issues with him. For your reference, our Multnomah County Sheriff's Office case# is 13406989. Up to present he has only been taken into custody once. He sends these types of threats to a lot of different people, local officials and institutions.

Thank you,

Deputy Graziano,

Thank you for contacting the Verizon Wireless Executive Relations Team regarding Mr. Reynolds. Verizon Wireless has a zero tolerance for threats against our employees or business units. As you indicated in the voice mail you left for Amanda Rubalcava, the implied threat by Mr. Reynolds to use deadly force escalated this matter to Corporate Security for investigation. All attempts to contact Mr. Reynolds by known telephone numbers and his e-mail address have been negative. The Irvine PD in California (Reinhold's email was received at the Irvine CA facility) has not been able to make contact with this subject as part of the investigation into this threat.

#13406484

In conducting various data base searches, I did not locate any criminal history or weapon ownership for this subject.

Based on your interaction with this subject who resides in your patrol area, I would appreciate you contacting me if there is any information about his propensity for violence that can be shared with me.

## HAKALA Rian

The below e-mail was supplied by Ms. Hadley in Senator Cantwell's Capitol Hill Office. The e-mail was dated 02/12/2014.

"Dear Senator Wyden (and others)  
I have been trying to get legal aid for over a year now. Senator Ron Wydens office contiues to promise me my day in court over Portland State Universities criminal activities. Since clearly I have been tried, convicted and civil rights violated and nobody cares or plans to do any thing, I have to ask, "Do I have to walk into a school and open fire to obtain my legally permissable copies of any and all of the police actions that led to my current coviction(s)?" PSU continues to maintain an illegal website making impossible for me to gain employment and support myself, again without due process of law. I have been fined and that is on my credit report, without due process of law, I have had my home searched and seized withoud due process of law, and I just wonder why does the law not apply to me? Why is it Glock is my only friend and nobody violates my rights when he at my side. Of course the last time the police were here harrassing me the admitted, "What PSU did was illegal." and they left, of course no police report copies for me regarding that incident either, but I have pictures! I just want my day in court even if you require me to walk into a school and open fire just to get people to discuss this incident with me. I have had enough of my rights being violated, I sucked Dennis Michael Pughs dick and swallowed 20 years ago to make the State of Oregon happy and now when we go to court everyone is going to know you knew this whole time. I cant even see a mental health counselor. The last time after being ordered by PSU to see one and suspended so I could, I got expelled for the treatment I did receive, that was confiedential and PSU was not even on the release of information. I was expelled when I wasnt even a student. Sir I see that action as a threat, and I intend to retaliate with equal and greater power. This is war. I am looking forward to another of war with Portland State University. So whats is gonna be Mr. Senator, either way an arrest or not, this case will make it the press, lets go!!!! Ive been waiting for you promise of day in court for over a year, but I have gotten are the "secret courts" that need to be exposed. This has gone on long enough and for 710 a month in SSI, I obviously cant afford legal, so if you cant do something about this, I will have no choice but to handle PSU myself."

Let me know if there is anything further I can do to assist.

Thanks,

Portland State University has been deemed supreme ruler. All of my rights under the Constitution of the United States and all laws has been "permenently and irreversably" revoked by the smelly cunt of Jackie Balzer at PSU. This has been affirmed as true by the US Senate, Earl Blumenauer, most of the US Senate, the Oregon BAR, the Oregon Public defenders office, the Multnomah County DA's office (Kristen Snowden), the Oregon Department of Justice (Chrystal M. Bader), the Washington Attorney Generals office, Senator Jeff Merkley, Senator Ron Wyden, Governor John Kitzhaber, and Nancy Cozine with the Oregon Public Defenders office. You must lick the smelly cunt of Jackie Balzer in order to get anywhere with this case as you legally

I have no familial history of this mental disability nor a break in the late teen or early twenties which means, I am either permanently disabled as PSU has testified or when Dennis Michael Pugh forced me to get on my knees and suck his dick in that cold room 21 years ago, I was disabled then and we have a whole new ball game of disability as the testimony of PSU demonstrates. And has been accepted as fact by all of the aforementioned to spite a dismissal of the case. The ongoing damages are horrendous, I have been deprived of due process, even Project Respond agreed, "PSU cant to that, that would be illegal." NO SHIT!! Lets go to court, EVEN IF I HAVE TO COMMIT ANOTHER CRIME TO GET THERE SO WE CAN BRING ALL OF THESE PEOPLE IN TO THANK PSU PROPERLY.

-  
Dear TFO Diamond at -503-278-9663. For years law enforcement has been trying to get evidence on me. After 3 years, you still dont have it because it didnt happen to spite my CONVICTION from PSU. So everyone please call TFO Diamond and give him what he wants. All I want is jury trial with NO PLEA BARGAINS and lots of press to see all of the evidence of my civil rights being violated. Oh yeah, we havent even delved into Portland Adventist Medical Center yet. Who has seen the 267 page warning letter I sent to Congress yet? Can we go to court now as promised by Senator Ron Wyden? I know. The law only applies to other people, not you.

Have a great day. Love always

Greg Reynolds

What does one have to do to get his day in court and due process?  
Clearly its only available to certain people. Is that why Americans have no other choice but to continue the Sandy Hook type stuff????  
Its just the "fashionable" justice that is in until a less corrupt government takes over? You send out all these FBI agents without warrants and after 3 years you still have not one shred of evidence, you are still manufacturing it?!!! Call TFC Diamond and get him off my friends asses and get my ass into court by any means necessary so we can discuss this stuff  
His cell is 503-287-9663. I guess Ill suck his dick like before as required. But PSU has ALL legal authority here. Period and irreversible.

Emily Hebbbron has cancelled her email and also supports Sandy Hook Elementary justice as legal.

I have a nice day manufacturing new evidence. You could learn a lot from PSU on how to do it ... you know without the law or morals. Ive learned everything I know from PSU, Greg M. Reynolds

I live in fear every day that I am actually going to have to harm someone to get this case heard. To be heard. I am not on disability or convicted of anything because of my statements, only on the statements of others. I have accepted my socially constructed identity (ies), and strived hard to deliver what the State of Oregon and Portland State University have required. I sent a letter the President of the United States, and was referred to mental health counseling, then PSU told me to go get counseling, but without their help, a job, or student status or access to care. When I got the care they required I was promptly expelled for getting they care they forced me into. At Portland States request I am now limited to \$720 a month in income and if complain about it, or the discrimination, the Oregon Health Authority cuts off my \$189 a month in food stamps. For doing what I was told and being denied my access to due process.

What do you have to do in this country to have due process? Is this why Sandy Hook things keep happening? Is this the new justice in of the USA?

Dear Mr. Reynolds and Mr. Goitein:

On October 31, 2012, the U.S. Department of Health and Human Services (HHS), Office for Civil Rights (OCR) received a complaint from Greg Reynolds (Complainant) alleging that Portland Adventist Medical Center (PAMC) is not in compliance with the Federal Standards for Privacy of Individually Identifiable Health Information and/or the Security Standards for the Protection of Electronic Protected Health Information (45 C.F.R. Parts 160 and 164, Subparts A, C, and E, the Privacy and Security Rules). Complainant alleged that during or after his treatment at PAMC in 2012, a PAMC physician disclosed his Social Security disability application to Portland State University. These allegations reflected possible violations of 45 C.F.R. §§ 164.502(a) (impermissible disclosures) and 164.530(c) (safeguards).

OCR enforces the Privacy Rule, and also enforces Federal civil rights laws which prohibit discrimination by covered entities in the delivery of health and human services because of race, color, national origin, disability, age, and under certain circumstances, sex and religion.

By letter dated January 10, 2013, OCR notified PAMC of Complainant's allegations. Under the Privacy Rule, a covered entity may not use or disclose protected health information (PHI) except as permitted or required by the Rule. See 45 C.F.R. § 164.502(a).

During this investigation, OCR learned that PAMC received a Social Security incident report regarding Complainant on the day he was admitted to PAMC. This incident report attached Complainant's application for Social Security benefits which had included threats to schools and Portland State University. This type of incident report is generated by Social Security and shared with law enforcement who then forwards it as necessary. The PAMC physician named by Complainant denied coming into contact with Complainant's Social Security application and stated that it is not part of her practice or process to come into contact with such paperwork at PAMC. PAMC stated that there is no indication that it sent this incident report or the attached application to Portland State University.

Greg,

I am writing you as a follow up to the communication you sent President Obama in June. Your letter was forwarded to me because of the nature and subject of your email. It is understandable and reasonable to be frustrated with this. I am concerned regarding your past attempts at suicide and your current desire to kill yourself.

The Lifeline, **1-800-273-8255**, offers 24 hour emotional support. We can listen and offer you support and possible resources. Sometimes just knowing there is a safe place to call, where someone cares enough to listen is a reason to pick up the phone and make the call.

I would appreciate it if you would email me just to let me know you received this email.

Dear CSC:

I am contacting you regarding transmittal number 12095379, documentation is attached regarding Reynolds vs. Portland State University and your refusal of service I will be entering into evidence, case number 140201438 this week. I need any and all information pertaining to this case, I filed with the Multnomah County Sheriff to serve, if they refused, I need to enter that as well as your testimony as to why you also refused the lawful legal documents. Any and all information obtained, as well lack thereof will noted for the record, also attached is a notice from the court I may or may not be able to share your response with should I not have it by the end of the week for my Affidavit and explanation. Please consider you are explaining to the court why you did not file these documents with Portland State University, and where you got this file from since I applied for the Sheriff to serve, which he refused and that will be entered into the record as well.

As you can see from the exhibits and recipients of this email, I have been making every effort to serve Portland State University for some time and will continue to do so.

Emily Hebbbron has had to change her email to avoid me, but she too shall be SERVED!

Your prompt and kind response is appreciated.

Thank you and have a nice day.

OREGON DEPARTMENT OF JUSTICE**

Dear Swati Adarkar, Gale Castillo, Sho Dozono, James Francesconi, Thomas Imeson, Fariborz Maseeh, Rick Miller, Pete Nickerson, Peter Stott, Christine Vernier, Maude Hines, Erica Bestpitch and Pamela Campos-Palma:

The Oregon Department of Justice has referred me to you to fulfill my legal Freedom of Information Act Request. Portland State has refused to respond and therefor legal action has become necessary. PSU also maintains a website about my exclusion, attached are the fines for violating my rights daily. As you can see, the penalties are quite steep, and the press has been following this for quite some time, witnesses are not a problem. Please impress upon your faculty and staff the importance of making a step in the right direction to adhere to the law. As you have probably learned so far, the law kind of sometimes applies and sometimes does not.

I look forward to a resolution to this dispute in a court of law.

Sincerely

Greg M. Reynolds

RE: REYNOLDS V. PORTLAND STATE UNIVERSITY CASE 140201438

Dear Rod Underhill and Dan Stanton:

Over the course of the last couple of years I, Greg M Reynolds, have been involved with Portland State University over civil rights violations. Your silence on the matter will now be entered into evidence of your support that these laws and constitutional protections do not apply to Greg Reynolds.

I have contacted your office on many occasions as well as the Sheriff in an effort to get copies of any search warrants, police reports, or other information as to my guilt. I was denied legal counsel by Portland State and statements were entered on my behalf by PSU faculty, staff and personnel. In addition to the civil rights violations reported to you, I also requested police reports, as is legal and never seen them, but have suffered the results of the conviction just the same, without due process and demonstrated that the PSU security guards are not even police officers, nor is PSU operating within the ORS "charter" which allows them to operate, so they are not even legal within their own right. Yet they

Dear Kristen Snowsen Multnomah County DA's Office:

For 5 years I have been perused for collections actions by Verizon Wireless, in spite of a federal restraining order. I have repeatedly asked to press harassment charges, but I have no rights and the law no longer applies. Per the US Supreme Court Decision dated June 2013 your non-response is being entered as an affirmative that you join Portland State University the Governors office and Senator Wyden in affirming the fact that I am authorized, or will have to use a Glock 17 9mm to enforce the law since you refuse just the same as you have refused in the case of PSU's criminal actions. By order of Jackie Balzer and accepted by each and every member of the US Senate, this is "permanent and irreversible" you have no legal recourse any more than Greg Reynolds does. I will defend myself by any means necessary since you refuse.

ve a nice. Verizon Wireless, you have been warned. AGAIN. Dear verizon I have a federal restraining order and you couldnt care less about the law, can you imagine how I feel about your letter? PSU has

Dear Mr. Blumenauer:

I came to you about being discriminated against by PSU, Portland Adventist Medical Center, and the State of Oregon. I have been given a disability I don't have and currently serving a life sentence as imposed by PSU. If I walk into a school and open fire, how would I be charged at this point considering "double jeopardy"? I have already been tried and convicted, you in case 00504061-74463 have confirmed that my life sentence without a day in court is justice and I will be using that in my latest update to congress and the US Governors that you support this corruption and I can prove it. I'll refer them all to the "unattended" email of Emily Hebborn that has to unattend just for Greg Reynolds email addresses. I screen shot everything you know. Do call the police, I need another police report will never see out there. I can't even get copies of the charges against me with FOIA requests. That's going to make filing charges against me difficult. My case considering the entrapment and impersonating police officers also affects the Pioneer Courthouse bombing suspect as this entrapment is common place here in Oregon and that's probably what they have done to him, look at what you have allowed to happen here. Oh wait, just manufacture crimes and or mental illness when you have nothing else.

was tried and convicted by your department. You have violated my constitutional and civil rights without question. As of today that changes forever. As ordered by Jackie Balzer and PSU and has been universally accepted as law by each and every member of the US Senate, the office of the President of the United States, the PSU Board of Trustees, Jim Fransceoni, Commissioner Kaufry, Gregory Kafury, Governor John Kitzhaber, the Oregon Attorney Generals office, the Multnomah County Sheriff's office, the Circuit Courts of the State of Oregon cases 120970073, 140201438, the Social Security Administration, the US Department of Justice, the FBI, Disability Rights Oregon, Congressman Blumenauer case 00504061-74463, Oregon BAR TWJ1400136, as well on the approval of Kristen Snowden Multnomah County DA's office and Chrystal M. Bader with the Oregon Department of Justice hereby affirm that the law does not apply to Greg Reynolds, you are allowed to entrap people and impersonate police officers without consequence and I am fully authorized by the courts as of 15 May 2014, to shoot you in the face with a Glock 17 9mm in defense of the rights your criminal activities have denied me. I have yet to see a day in court as guaranteed by Senator Wyden, but you criminals run free. I intend to defend myself by any means necessary in lieu of application of the law.

This is war.

Sincerely

Greg M. Reynolds

You accept messages saying "Not One More" yet you allow civil rights and liberties to be trampled leaving some of the only hope of justice being Sandy Hooks and Reynolds High Schools, what other justice to we have? It embodies the injustice you condone and allow Portland State to get away with. I cant even file suit, what other choice do people like me have? You just ignore us. I cant afford justice but I afford a glock. And that is hypocrites like your doing. I have yet to have a day in court, but I suffer all of the price of conviction. Same as all those children who get shot in the face. You look the other way for me, yet somehow they are more valuable. I will never surrender my weapon, who will protect me from you? Governor Kitzhaber, the Portland Police Bureau, the FBI, Secret Service, Homeland Security, Senator Wyden, Senator Merkley and Portland State? NOT YOU, NOT THE COURTS. In the name of Jesus and Justice I guess these types of mass murder are simply justice for the 90% who cant afford it. Thanks for all your help....Ill be out on the campaign trail telling my story to reports and hading out copies of evidence right behind you and our great dictator Osama Bin Kitzhaber.

I have done nothing to anyone that PSU did not, in violation of the law do to me first. I am simply upholding PSU's Code of Conduct.

I am prepared deliver your sentence as also accepted by the Circuit Courts of the State of Oregon, Multnomah County. Have a nice day. I look forward to seeing you soon.

This subject made threats to shoot students at PSU in September 2012. In January 2013 he sent an email stating that the massacre of children at Sandy Hook Elementary was "gifts of justice from God". MCSO case# 12406029/ 13406968 and Portland Police case# 13-705

The subject lives approximately 3 miles from the Corbett Schools: 35612 SE MacInnes (off Ellis which is off Hurlburt). A COPY OF THIS DOCUMENT WILL BE KEPT AT THE CORBETT SAT OFFICE.

MacInnes Road dead-ends at the right side of the photo. House occupants can easily see the eastern end of their driveway from the east side of the house. A concealed approach would be through the trees from the south, however the house has an elevation advantage. 2<sup>nd</sup> option- approach from the west, staying on the north side of the road, and creep to the south shoulder of the road to look down on the property.

Cascade Access High-Speed Internet service (the "Service") will be provided to you ("you," "your," or "Customer") on the terms and conditions set forth in this Subscriber Agreement (the "Agreement") by the operating company Cascade Access Corporation ("Cascade Access," "we," "us," or "our"). For purposes of this Agreement, "affiliate" means any entity that controls, is controlled by or is under common control with Cascade Access Corporation.

1. Equipment; Access.

1. **Required Equipment:** You understand and agree that the Service requires certain equipment provided by you such as a personal computer, an Ethernet device, if required, and an appropriate operating system (the "Customer Equipment"), as well as certain equipment provided by Cascade Access or its designee such as software and external wiring and related electronic equipment installed by Cascade Access up to the point twelve inches from where the wiring enters your residence ("Cascade Access Equipment"). If you are leasing a modem or wireless gateway/router from us, the modem or gateway/router is Cascade Access Equipment. If you have purchased a modem or gateway/router (whether from us or from a third party) the modem or gateway/router is Customer Equipment. If you purchase your own modem, it must meet the ADSL 2+ compatibility requirements, Cascade Access, and its underlying providers. If you purchase your own gateway/router, it must be a certified device in order to receive customer support for it from Cascade Access. Cascade Access reserves the right to provide the Service only to the extent that you use a modem or gateway/router compatible with the Service. Whether the modem or gateway/router is owned by you or us, we have the unrestricted right, but not the obligation, to upgrade or change the firmware in the modem or gateway/router at any time that we, in our sole discretion, determine is necessary or desirable. We may perform these upgrades or changes remotely or on the Premises as we determine in our sole discretion.
2. **Access to Customer's Premises:** You authorize Cascade Access and its employees, agents, contractors, and representatives to enter your premises at which the Service will be accessed (the "Premises") in order to install, configure, maintain, inspect, repair and remove the Cascade Access Equipment, and to install, configure and inspect the Customer Equipment. All such access will occur during normal business hours or by appointment. You warrant that you are the owner of, or a tenant in, the Premises, and that you have the authority to enter into this Agreement. If you are not the owner of the Premises, upon request, you will supply us with the owner's name and address, evidence that you are authorized to grant access to the Premises on the owner's behalf and (if requested by Cascade Access) written consent from the owner of the Premises. You agree to indemnify, defend and hold harmless Cascade Access and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorney fees) arising out of any breach of this Section 1(b).
3. **Cascade Access Equipment:** The Cascade Access Equipment will at all times remain the property of Cascade Access or its designee. You acknowledge that the Cascade Access Equipment is merely a means through which the Service is provided by us and may be removed or changed by us at our discretion as we deem appropriate, including through "downloads" to your computer(s) or otherwise. You agree not to use the Cascade Access Equipment for any purpose other than to use the Service pursuant to this Agreement. During the term of this Agreement, Cascade Access will repair and maintain all Cascade Access Equipment and you agree that the Cascade Access Equipment will not be serviced by anyone other than Cascade Access employees or agents. You shall not sell, transfer, lease, encumber or assign all or part of the Cascade Access Equipment to any third party. You will not relocate the Cascade Access Equipment. At your request, we may, at an additional charge, relocate the Cascade Access Equipment within the Premises at a time agreed to with you. If you change residences or disconnect your Service, you must contact Cascade Access for additional information concerning disconnecting the Service, the possibility, costs and procedures for transferring the Cascade Access Equipment and Service to your new residence. You shall pay to Cascade Access the full manufacturer's suggested retail price for the replacement of any lost, stolen, unreturned, damaged, sold, transferred, leased, encumbered or assigned Cascade Access Equipment or part thereof, together with any incidental costs incurred by us relating to the replacement of the Cascade Access Equipment or part thereof.
4. **Customer Equipment:** You represent that you own the Customer Equipment or otherwise have the right to use such equipment in connection with the Service. Cascade Access shall have no obligation to provide, maintain or service the Customer Equipment. The current minimum technical and other requirements for Customer Equipment (including without limitation required computer hardware) in connection with the Service are posted on the Service's web site at [cascadeaccess.com](http://cascadeaccess.com) or on another web site about which you have been notified. These minimum requirements may be revised by us from time to time. If you proceed with the installation of or use the Service in conjunction with Customer Equipment that does not meet the minimum requirements (a "Non-Recommended Configuration"), you agree that (i) you will not be entitled to

customer support relating to any issues other than the quality of the signal delivered to the modem or gateway/router, and (ii) the following limitation of liability shall apply: NEITHER CASCADE ACCESS NOR ANY OF ITS AFFILIATES, SUPPLIERS, OR AGENTS WARRANT THAT A NON-RECOMMENDED CONFIGURATION WILL ENABLE YOU TO SUCCESSFULLY INSTALL, ACCESS, OPERATE, OR USE THE SERVICE. YOU ACKNOWLEDGE THAT ANY SUCH INSTALLATION, ACCESS, OPERATION OR USE COULD CAUSE DAMAGE TO CUSTOMER EQUIPMENT, INCLUDING WITHOUT LIMITATION CUSTOMER'S COMPUTER, PERIPHERALS, SOFTWARE OR DATA. NEITHER CASCADE ACCESS NOR ANY OF ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY SUCH FAILURE OR DAMAGE. The foregoing limitation of liability is in addition to and shall not limit any other limitation of liability set forth in this Agreement.

## 2. Intellectual Property Rights.

1. **End User Licenses:** You agree to comply with the terms and conditions of all end user license agreements accompanying any software or plug-ins to such software distributed or used in connection with the Service including, without limitation, the Cascade Access Software License Agreement, the current version of which is attached to this Agreement as Exhibit A, as these agreements may be amended from time to time. All such agreements are incorporated in this Agreement by reference. All end user licenses will terminate upon the termination of this Agreement, and, at such time, you shall destroy all versions and copies of all software received by you in connection with the Service.
2. **Ownership of Addresses:** You acknowledge that use of the Service does not give you any ownership or other rights in any Internet/on-line addresses provided to you, including but not limited to Internet Protocol ("IP") addresses, e-mail addresses and web addresses. We may modify or change these addresses at any time without notice and shall in no way be required to compensate you for these changes.
3. **Authorization:** Cascade Access does not claim any ownership of any material that you publish, transmit or distribute using the Service. By using the Service to publish, transmit or distribute material or content, you (i) warrant that the material or content complies with the provisions of this Agreement, (ii) consent to and authorize Cascade Access, its agents, suppliers, and affiliates to reproduce, publish, distribute, and display the content worldwide and (iii) warrant that you have the right to provide this authorization. You acknowledge that material posted or transmitted using the Service may be copied, republished or distributed by third parties, and you agree to indemnify, defend and hold harmless Cascade Access, its agents, suppliers, and affiliates for any harm resulting from these actions.
4. **Copyright in the Service:** Title and intellectual property rights to the Service are owned by Cascade Access, its agents, suppliers, or affiliates or their licensors or otherwise by the owners of such material and are protected by copyright laws and treaties. The copying, redistribution, reselling or publication of any part of the Service without express prior written consent from Cascade Access or other owner of such material is prohibited.
5. **Material Downloaded through the Service:** In addition to any content that may be provided by us, you may access material through the Service that is not owned by Cascade Access. Any such material may be downloaded from the Service only for your personal, non-commercial use, and you are not allowed to redistribute that material over any network (other than a residential home network located in the Premises) or sell or offer for sale that material. Unless other terms and conditions expressly apply to specific content, you may make: (a) one machine readable copy, (b) one backup copy, and (c) one print copy of any material downloaded from the Service; any other copying, or any redistribution or publication of any downloaded material, including, without limitation, posting to any other online service, must be with the express permission of the relevant copyright holder. In any permitted copying, redistribution or publication of copyrighted material, any changes to or deletion of any copyright notice are prohibited. Other terms and conditions may apply to your use of any content or material made available through the Service that is not owned by Cascade Access. You should read those terms and conditions to learn how they apply to you and your use of any non-Cascade Access content.

## 3. Fees and Payments

1. **Fees and Charges:** You agree to pay all charges and fees associated with the use of the Service, which charges may include, without limitation, monthly service fees, charges for the use of Cascade Access

Equipment, installation charges, charges for service calls and other charges. In addition, you agree to pay all applicable federal, state and local fees and taxes. A current listing of fees and charges is included on Exhibit "A". Cascade Access shall have the right to change the amount of fees and charges from time to time at its discretion and upon reasonable advance notice. Monthly service, equipment and other fees shall be payable monthly in advance. Installation and other charges will be billed according to our then current billing policies. Your Cascade Access invoice may also contain charges for other services provided by us or our subsidiaries or affiliates. If we receive partial payment of any such invoices, we will apply such payment in the amounts and proportions to the outstanding charges as we determine. Our acceptance of any partial payment by you does not mean that we waive our rights to collect the full balance owed to us.

2. **Credit Card:** If authorized by you, Cascade Access shall charge all amounts payable by you to Cascade Access pursuant to this Agreement to your credit card in accordance with the credit card information provided by you. By providing a credit card number to us, you authorize us to continue charging the credit card for all monthly fees (including without limitation monthly service fees and equipment charges, as well as applicable taxes and fees) payable to Cascade Access, and any other charges incurred by you and payable to Cascade Access pursuant to this Agreement, until this Agreement is terminated. Monthly service fees and equipment fees may be charged up to thirty (30) days in advance of the first day of the month for which the charges relate. You agree to inform us immediately of any change in credit card information (including without limitation a change in expiration date). Your card issuer agreement governs use of the credit card in connection with the Service, and you must refer to that agreement with respect to your rights and liabilities as a cardholder. If Cascade Access does not receive payment from your credit card issuer or its agents, you agree to pay all amounts due upon demand by us.
3. **Late Payments; Failure to Pay:** You agree to pay Cascade Access, as set forth in this Agreement, for any fees or charges due to Cascade Access, including any administrative late fee(s) and related fees, charges and assessments due to late payments or non-payments. If Cascade Access does not receive any required payment from you by the date on which the payment is due, or you pay less than the full amount due Cascade Access where we provide more than one product or service to you, you may be charged such fees, charges and assessments and the Service may be disconnected. If the Service is disconnected, in addition to the rights and remedies of Cascade Access under this Agreement or otherwise, you may be required to pay a reconnect fee in addition to all past due charges before the Service is reconnected. Any administrative late fee(s) and related fees, charges and assessments due to late payment and nonpayment are not penalties. Rather, they are liquidated damages intended to be a reasonable advance estimate of our costs resulting from late payments or non-payments by our customers. You may avoid these fees and other separate or additional charges relating to late payment and non-payment by complying with the payment provisions of this Agreement and by complying with Cascade Access's current billing policies. If you fail to pay for the Service when due (because of a failure to comply with the payment provisions of this Agreement or for any other reason), you agree to voluntarily pay all administrative late fee(s) and related fees, charges and assessments due to late payment and non-payment. Cascade Access does not anticipate that you will fail to pay for the Service on a timely basis. We do not extend credit to customers and the administrative fee(s), related fees, charges and assessments are not interest, a credit service charge or a finance charge. Cascade Access's late fee practices may be revised to comply with applicable state or local laws, rules or regulations. If we are required to use a collection agency or attorney to collect money owed by you or to assert any other right that we may have against you, you agree to pay the reasonable costs of collection or other action. These costs might include, but are not limited to, the costs of a collection agency, reasonable attorneys' fees and arbitration or court costs.
4. **Additional Charges:** The Service will allow you to access the Internet, content providers, providers of services, on-line services and other information. You acknowledge that you may incur charges on account of such access or usage through the Service separate and apart from the amounts charged by us. In addition, you may incur charges as a result of accessing on-line services or purchasing or subscribing to other offerings via the Internet or otherwise. You agree that all charges payable to third parties, including all applicable taxes, are your sole responsibility. In addition, you are solely responsible for protecting the security of credit card and payment information provided in connection with such transactions.
5. **Alternate Billing Arrangements:** In certain cases, Cascade Access may agree to provide billing services on behalf of content providers, service providers or other third parties. If such billing services are provided by Cascade Access, we shall be acting as the agent of the third party. Any such third party charges shall be payable pursuant to any contract or other arrangement between you and the third party. We shall not be responsible for any dispute regarding these charges between you and any third party for whom Cascade Access bills. You must address all such disputes directly with the third party.

6. **Credit Inquiries:** You authorize Cascade Access to make inquiries and to receive information about your credit experience from others, enter this information in your file, and disclose this information concerning you to appropriate third parties for reasonable business purposes.
7. **Billing Errors:** Subject to applicable law, you must notify us of any billing errors or other requests for refund within sixty (60) days of the date on which the error occurred.
8. **Account Access:** In order to protect the privacy of your account information, we may require that you use a security code or other method, designated in accordance with our policies, to confirm your identity when requesting or otherwise accessing account information, making changes to the Service or performing other functions related to the Service.

#### 4. Customer Information, Privacy, and Security

1. **Customer Privacy and Security:** Your privacy interests, including your ability to limit disclosure of certain information to third parties, is described in the Cascade Access High-Speed Internet Privacy Statement which we provided or made available to you at the time of the original installation of the Service, and will provide or make available to you annually as long as you receive the Service. You acknowledge your receipt of the Cascade Access High-Speed Internet Privacy Statement and your express consent to the terms of that privacy policy. To the extent that Cascade Access is expressly required to do so by applicable law, we will provide notice to you of a breach of the security of certain personally identifiable information about you. It is Cascade Access's information security policy to provide such notice to you in the manner set forth in Section 10(b) below.
2. **Information Provided To Third Parties:** The Service will allow you to access third parties, including without limitation, content providers, on-line services and other providers of goods, services and information. Some of these goods, services and information may be accessible directly from the Service, and others may be accessible from the third parties referenced above. In connection with this third party access, you may be requested or required to provide your name, address, telephone number, credit card number and other personally identifiable information to such third parties. Cascade Access is not responsible for any such information provided by you to third parties, and this information is not subject to the privacy provisions of this Agreement or the Cascade Access High-Speed Internet Privacy Statement. #### 5. Acceptable Use Policy; Prohibited Uses of the Service

1. **Acceptable Use Policy:** You expressly agree not to use the Customer Equipment, Cascade Access Equipment or the Service, directly or indirectly, to undertake or accomplish any unlawful purpose or in violation of any posted Cascade Access policy applicable to the Service, including without limitation any Cascade Access Acceptable Use Policy (the "AUP") or other policy posted on the Service's web site at [cascadeaccess.com](http://cascadeaccess.com) or on another web site about which you have been notified, and that the AUP or other policy may be modified by Cascade Access from time to time. Notwithstanding anything to the contrary in this Agreement, you acknowledge and agree that the terms of the AUP and any other applicable Cascade Access policies may be put into effect or revised from time to time without notice by posting a new version of the AUP or the other policy as set forth above. Accordingly, you and other users of the Service should consult the AUP and all other posted policies regularly to conform to the most recent version.
2. **Prohibited Uses of the Service:** Use of the Customer Equipment, Cascade Access Equipment or the Service for transmission or storage of any information, data or material in violation of any federal, state or local law or regulation is prohibited. In addition, unless you are subject to a Service plan that expressly permits otherwise, the Service is to be used, and you expressly agree to use it, solely in a private residence, living quarters in a hotel, hospital, dormitory, sorority or fraternity house, or boarding house, or the residential portion of a premises which is used for both business and residential purposes. Without limiting the generality of the foregoing, the Service is for personal and non-commercial use only and you agree not to use the Service for operation as an Internet service provider, a server site for ftp, telnet, rlogin, e-mail hosting, "web hosting" or other similar applications, for any business enterprise, or as an end-point on a non-Cascade Access local area network or wide area network. You agree to indemnify, defend and hold harmless Cascade Access and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorney fees) arising

out of any breach of this Section 5(b) including, but not limited to, any claims based on or arising out of any material violation of any applicable law.

## 6. Network Management

- a. In accordance with FCC Acts to Preserve Internet Freedom and Openness Cascade Access has an open network, which enables consumers choice, freedom of expression, user control, and the freedom to innovate. Cascade Access will not block lawful content, applications, services, or non harmful devices, subject to reasonable network management. Cascade Access will not unreasonably discriminate in transmitting lawful network traffic over a consumer's Internet access service. Our Network management described below shall not constitute unreasonable discrimination. Cascade Access reserves the right to perform necessary network management operations, both in the form of routine equipment maintenance and in necessary traffic grooming to ensure fair access for all users of the system. Routine network and equipment maintenance will always be attempted to be performed in the least disruptive way possible, however it is possible that network or equipment maintenance may interrupt service temporarily. This work will generally be performed after normal business hours. Traffic grooming is the process of reducing the overall speed of a user's connection to the network in order to ensure that all users have fair access to the network. Under normal use, even heavy network users would not be affected by this. Users that might be affected would be those that unlawfully share copyrighted material, have viruses, or other similar harmful activities. Cascade Access does actively monitor the overall usage per customer, and each instance is reviewed on a case by case basis.

## 7. Representations and Warranties of Customer. You represent and warrant that:

1. **Age:** You are at least 18 years of age.
2. **Customer Information:** The Customer information that you have provided and will provide to Cascade Access during the term of this Agreement, including without limitation your legal name, address, telephone number(s), the number of computers on which the Service is being accessed and payment data (including without limitation credit card numbers and expiration dates) is accurate, complete and current. You agree to promptly notify us, in accordance with the terms of this Agreement, if there is any change in the information that you have provided to us. Failure to provide and maintain accurate information constitutes a breach of this Agreement.
3. **Multiple Users:** The Service and the Cascade Access Equipment shall be used only by you and by members of your immediate household living with you at the same address. You acknowledge that you are executing this Agreement on behalf of all persons who use the Cascade Access Equipment and/or Service by means of the Customer Equipment. You shall have sole responsibility for ensuring that all other users understand and comply with the terms and conditions of this Agreement. You further acknowledge and agree that you are solely responsible for and liable for any and all breaches of the terms and conditions of this Agreement, whether the breach is the result of use of the Service and/or the Cascade Access Equipment and/or Customer Equipment by you or by any other user. You agree to indemnify, defend and hold harmless Cascade Access and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorney fees) arising out of the use of the Service, the Cascade Access Equipment and/or the Customer Equipment or the breach of this Agreement by you or any other user.
4. **Export Laws:** You will comply with all export and re-export control laws, including but not limited to the Export Administration Act, the Arms Export Control Act and their implementing regulations, and you will not transfer, by electronic transmission or otherwise, any content derived from the Service to either a foreign national or a foreign destination without first obtaining any required government authorization. You further agree not to upload to the Service any data or software that cannot be exported without prior written government authorization. The terms "export" and "re-export" mean transferring or releasing technology to another country or to a national of another by any means - physical, electronic or otherwise. This includes the electronic transmission of information and software to foreign countries and to certain foreign nationals.
5. **No Tampering:** You will not service, alter, modify or tamper with the Cascade Access Equipment or with the Service, or permit any other person (unless authorized by Cascade Access) to do so. This prohibition includes, without limitation, altering a modem to change the downloading or uploading capacity of the modem.
6. **IP Addresses:** Cascade Access will provide you with dynamic Internet protocol ("IP") address(es) as a component of the Service and these IP address(es) can and do change over time. You will not alter, modify, or tamper with these dynamic IP address(es) or those of any other customer. You agree not to use a dynamic

Untitled Document

domain name server or DNS to associate a host name with the dynamic IP address(es) for any commercial purpose. You also agree not to use any software on or in conjunction with any computer(s) or network device connected to the Service that provides for static IP address(es). If applicable, Cascade Access will release and/or recover the dynamic IP address(es) upon disconnection, discontinuance, or termination of the Service or this Agreement.

7. **Theft of Service:** You will not connect the Service or any Cascade Access Equipment to more computers, either on or outside of the Premises, than are reflected in your account with us. You acknowledge that any unauthorized receipt of the Service constitutes theft of service, which is a violation of federal law and can result in both civil and criminal penalties. In addition, if the violations are willful and for commercial advantage or private financial gain, the penalties may be increased.

#### 8. Termination and Expiration

1. **Term:** The term of this Agreement shall commence upon the installation of your Service, and shall continue on a month to month basis thereafter until terminated as provided for in this Agreement or until superseded by a revised Subscriber Agreement.
2. **Termination by Customer:** You may terminate this Agreement for any reason at any time by providing Cascade Access with a thirty (30) day written notice of termination, in accordance with the terms of this Agreement. In the event of your termination, any applicable fees and charges will be due and payable immediately. **Termination by Cascade Access:** We may terminate this Agreement (i) at any time without prior notice if you fail to comply in full with any term of this Agreement, or (ii) for any other reason upon thirty (30) days notice to you. In the event Cascade Access terminates the Service for any reason other than your violation of this Agreement, any fees and charges will be due and payable immediately.
3. **Customer Obligations Upon Termination:** You agree that upon termination of this Agreement:
  1. You will immediately cease use of the Service and the Cascade Access Equipment, and uninstall and destroy all copies of any software provided to you pursuant to this Agreement or otherwise used by you to access the Service.
  2. You will pay in full for your use of the Service and the Cascade Access Equipment up to the later of the effective date of termination of this Agreement or the date on which the Service is disconnected and the Cascade Access Equipment has been returned. You agree to pay on a pro-rated basis for any use by you of the Cascade Access Equipment or Service for a part of a month.
  3. You shall return the Cascade Access Equipment (including without limitation the modem and/or gateway/router if you are leasing a modem and/or gateway/router from Cascade Access) to Cascade Access, by any method reasonably requested by us, within 10 days after termination of the Agreement. Upon our request, you will permit us, and our employees, agents, contractors, and representatives, to access your premises during normal business hours or by appointment to remove the Cascade Access Equipment and other material provided by Cascade Access. You will ensure the return of all Cascade Access Equipment to Cascade Access. If any Cascade Access Equipment is not returned, you agree that Cascade Access may bill you for the charges referred to in Section 1(c) above, including without limitation charging you credit card if applicable.
4. **Retention of Rights:** Nothing contained in this Agreement shall be construed to limit Cascade Access's rights and remedies available at law or in equity. Upon termination of this Agreement for any reason, Cascade Access and its suppliers reserve the right to delete all your data, files, electronic messages or other Customer information that is stored on Cascade Access's or its suppliers' servers or systems. In addition, you may forfeit your account user name and all e-mail, IP, and web space addresses. We shall have no liability whatsoever as the result of the loss of any such data, names or addresses.
5. **Survival:** All representations, warranties, indemnifications and limitations of liability contained in this Agreement shall survive the termination of this Agreement, as well as any other obligations of the parties hereunder which, by their terms, would be expected to survive such termination or which relate to the period prior to termination.

#### 9. Limitation of Liability; No Warranties; Warnings

1. **Limited Warranty:** THE CASCADE ACCESS EQUIPMENT AND THE SERVICE ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED. NEITHER CASCADE ACCESS NOR ITS AFFILIATES, SUPPLIERS, OR AGENTS WARRANT THAT ANY CONNECTION

TO, TRANSMISSION OVER, OR RESULTS OF THE CASCADE ACCESS EQUIPMENT OR THE SERVICE WILL MEET CUSTOMER'S REQUIREMENTS OR WILL PROVIDE UNINTERRUPTED USE OR WILL OPERATE AS REQUIRED, UNINTERRUPTED, AT ANY MINIMUM SPEED, OR ERROR FREE. YOUR SOLE REMEDY FOR SERVICE INTERRUPTION SHALL BE LIMITED TO A PRORATED CREDIT UPON REQUEST ONLY IN THE EVENT OF COMPLETE FAILURE OF THE SERVICE DUE TO A TECHNICAL MALFUNCTION FOR TWENTY-FOUR (24) CONSECUTIVE HOURS OR MORE. TO QUALIFY FOR SUCH CREDIT, YOU MUST REQUEST THE CREDIT FROM CASCADE ACCESS WITHIN THIRTY (30) DAYS OF THE FAILURE. CREDITS SHALL BE APPLIED ONLY AGAINST CURRENT AND FUTURE FEES PAYABLE BY YOU FOR THE SERVICE AND ANY CREDITS PROVIDED BY CASCADE ACCESS ARE AT OUR SOLE DISCRETION AND IN NO EVENT SHALL CONSTITUTE OR BE CONSTRUED AS A COURSE OF CONDUCT BY CASCADE ACCESS. NEITHER CASCADE ACCESS NOR ITS AFFILIATES, SUPPLIERS, OR AGENTS WARRANT THAT ANY DATA OR FILES SENT BY OR TO YOU WILL BE TRANSMITTED IN UNCORRUPTED FORM OR WITHIN A REASONABLE PERIOD OF TIME. ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF PERFORMANCE, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, ARE HEREBY EXCLUDED.

2. **Limitation of Liability:** EXCEPT AS SPECIFICALLY PROVIDED IN THIS AGREEMENT, IN NO CIRCUMSTANCE AND UNDER NO LEGAL THEORY (INCLUDING WITHOUT LIMITATION TORT, CONTRACT, AND OTHERWISE), SHALL CASCADE ACCESS OR ITS AFFILIATES, SUPPLIERS, OR AGENTS HAVE ANY LIABILITY TO CUSTOMER OR TO ANY PERSON OR ENTITY FOR (i) ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, TREBLE, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL LOSSES OR DAMAGES, INCLUDING WITHOUT LIMITATION LOSS OF PROFITS, LOSS OF EARNINGS, LOSS OF BUSINESS OPPORTUNITIES AND PERSONAL INJURIES (INCLUDING DEATH), RESULTING DIRECTLY OR INDIRECTLY OUT OF, OR OTHERWISE ARISING IN CONNECTION WITH, THE INSTALLATION, SELF-INSTALLATION, MAINTENANCE, FAILURE, REMOVAL OR USE OF THE SERVICE, THE CASCADE ACCESS EQUIPMENT, OR THE CUSTOMER EQUIPMENT OR CUSTOMER'S RELIANCE ON OR USE OF THE SERVICE, THE CASCADE ACCESS EQUIPMENT, OR THE CUSTOMER EQUIPMENT, INCLUDING WITHOUT LIMITATION ANY MISTAKES, OMISSIONS, INTERRUPTIONS, COMPUTER OR OTHER HARDWARE OR SOFTWARE BREACH, FAILURE, OR MALFUNCTION, DELETION OR CORRUPTION OF FILES, WORK STOPPAGE, ERRORS, DEFECTS, DELAYS IN OPERATION, DELAYS IN TRANSMISSION, OR FAILURE OF PERFORMANCE OF THE SERVICE, THE CASCADE ACCESS EQUIPMENT, OR THE CUSTOMER EQUIPMENT; OR (ii) ANY LOSSES, CLAIMS, DAMAGES, EXPENSES, LIABILITIES OR COSTS (INCLUDING LEGAL FEES) RESULTING DIRECTLY OR INDIRECTLY OUT OF, OR OTHERWISE ARISING IN CONNECTION WITH, ANY ALLEGATION, CLAIM, SUIT OR OTHER PROCEEDING BASED UPON A CONTENTION THAT THE USE OF THE SERVICE, THE CASCADE ACCESS EQUIPMENT, OR THE CUSTOMER EQUIPMENT BY CUSTOMER OR ANY OTHER PERSON OR ENTITY INFRINGES THE COPYRIGHT, PATENT, TRADEMARK, TRADE SECRET, CONFIDENTIALITY, PRIVACY, OR OTHER INTELLECTUAL PROPERTY RIGHTS OR CONTRACTUAL RIGHTS OF ANY THIRD PARTY.

3. **No Liability For Viruses:** Cascade Access makes no representation or warranty that any software or content installed on your computer(s) or downloaded from the Service does not contain a virus or other harmful feature or software and it is your sole responsibility to take appropriate precautions to protect any computer or other hardware of yours from damage to its software, files or data as a result of any such virus or other harmful feature or software. We may, but are not required to, terminate all or any portion of the installation or operation of the Service if a virus or other harmful feature or software is found to be present on your system. We are not required to provide you with any assistance in removal of the virus or other harmful feature or software. If we decide, in our sole discretion, to install or run virus or other harmful software check software on your computer(s), we make no representation or warranty that the check will detect or correct any or all viruses or other harmful features or software. You acknowledge that you may incur additional charges for any service call made or required on account of any problem related to a virus or other harmful feature or software detected on your system. NEITHER CASCADE ACCESS NOR ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE TO OR LOSS OR DESTRUCTION OF ANY HARDWARE, SOFTWARE, FILES OR DATA RESULTING FROM ANY

VIRUS OR OTHER HARMFUL FEATURE OR SOFTWARE OR FROM ANY ATTEMPT TO REMOVE IT.

4. **Customer's Hardware and Software:** The installation, configuration, use, inspection, maintenance, repair and removal of the Cascade Access Equipment and/or certain Customer Equipment used in connection with the Service may result in service outage or potential damage to your computer(s) and other Customer Equipment. Except for gross negligence or willful misconduct by us, neither Cascade Access nor any of its affiliates, suppliers, and agents shall have any liability whatsoever for any damage, loss or destruction to the Customer Equipment (including without limitation your computer(s) and peripherals). In the event of such gross negligence or willful misconduct by Cascade Access, at our sole discretion we shall pay for the repair or replacement of the damaged parts up to a maximum of \$1,000 and this shall be your sole remedy relating to such activity. In addition, as part of the installation process for the software and other components of the Service, system files on your computer may be modified. Cascade Access does not represent, warrant or covenant that these modifications will not disrupt the normal operations of any Customer Equipment including without limitation your computer(s), or cause the loss of files. FOR THESE AND OTHER REASONS, IT IS RECOMMENDED THAT YOU BACK-UP ALL FILES TO ANOTHER STORAGE MECHANISM PRIOR TO SUCH ACTIVITIES. YOU UNDERSTAND AND ACCEPT THE ASSOCIATED RISKS OF ANY DECISION BY YOU NOT TO DO SO. NEITHER CASCADE ACCESS NOR ANY OF ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE TO OR LOSS OR DESTRUCTION OF ANY SOFTWARE, FILES OR DATA. In addition, the opening of your computer may void warranties provided by the computer manufacturer or other parties relating to the computer's hardware or software. You understand that your computer may need to be opened, either by you or by us or our agents, in connection with the installation or repair of the Service. NEITHER CASCADE ACCESS NOR ANY OF ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER AS THE RESULT OF THE VOIDING OF ANY SUCH WARRANTIES.
5. **Not Liable For Third Parties:** You acknowledge that we may use the services, equipment and infrastructure and content of others in providing the Service and that third parties may provide components of the Service. We are not responsible for the performance (or non-performance) of such services, equipment, infrastructure or content of others whether or not they constitute components of the Service. In addition, you understand that you will have access to the services and content of third parties through the Service, including without limitation that provided by content providers (whether or not accessible directly from the Service). Services, equipment, infrastructure and content that are not provided by us (even if they are components of the Service) are not the responsibility of Cascade Access, and we shall have no liability with respect to such services, equipment, infrastructure and content. You should address questions or concerns relating to such services, equipment, infrastructure and content to the creators of such services, equipment, infrastructure and content. We do not endorse or warrant any third-party products, services or content that are distributed or advertised over the Service. No undertaking, representation or warranty made by an agent or employee of Cascade Access or our underlying third party providers in connection with the installation, maintenance, or provision of the Service which is inconsistent with the terms of this Agreement shall be binding on Cascade Access. The limitations of liability set forth in Section 8(b) apply to the acts, omissions, and negligence of Cascade Access and its underlying third party providers and suppliers (and their respective officers, employees, agents, contractors or representatives) which, but for that provision, would give rise to a cause of action in contract, tort or any other legal doctrine.
6. **Customer Responsibility for Content:** You acknowledge that there is some content and material on the Internet or otherwise available through the Service which may be offensive to some individuals, may be unsuitable for children, may violate federal, state or local laws, rules or regulations or may violate your protected rights or those of others. We assume no responsibility for this content or material. All content and material accessed by you or others through the Service is accessed and used by you or such others at their own risk, and neither Cascade Access nor its affiliates, suppliers, or agents shall have any liability whatsoever for any claims, losses, actions, damages, suits or proceedings arising out of or otherwise relating to access to such content or material by you or others. Questions or complaints regarding content or material should be addressed to the content or material provider. You acknowledge that software programs claiming to be capable of restricting access to sexually explicit material on the Internet are commercially available. We make no representation or warranty regarding the effectiveness of such programs.
7. **Monitoring of Postings and Transmissions:** Cascade Access shall have no obligation to monitor postings or transmissions made in connection with the Service. However, you acknowledge and agree that Cascade

12/6/2013

Access and its agents shall have the right to monitor any such postings and transmissions, including without limitation e-mail, newsgroups, chat, IP audio and video, and web space content, from time to time and to use and disclose them in accordance with Sections 4 and 5 of this Agreement, and as otherwise required by law or government request. We reserve the right to refuse to upload, post, publish, transmit or store any information or materials, in whole or in part, that, in our sole discretion, is unacceptable, undesirable or in violation of this Agreement.

8. **Eavesdropping:** Our facilities are used by numerous persons or entities including, without limitation, other subscribers to the Service. As a result, there is a risk that you could be subject to "eavesdropping." This means that other persons or entities may be able to access and/or monitor your use of the Service. This risk of eavesdropping exists not only with our facilities, but also on the Internet and other services to which access is provided as a part of the Service. Any sensitive or confidential information posted, stored, transmitted or disseminated by you is done so at your sole risk, and neither Cascade Access nor its affiliates, suppliers, or agents shall have any liability whatsoever for any claims, losses, actions, damages, suits or proceedings arising out of or otherwise relating to such actions by you. You acknowledge that software programs claiming to be capable of encryption are commercially available. We make no representation or warranty regarding the effectiveness of these programs.
9. **FTP/HTTP Service Setup:** You acknowledge that when using the Service there are certain applications such as FTP (File Transfer Protocol) or HTTP (Hyper Text Transfer Protocol) which may be used by other persons or entities to allow such other persons or entities to gain access to Customer's Equipment. You are solely responsible for the security of the Customer Equipment or any other equipment you choose to use in connection with the Service, including without limitation any data stored on such equipment. Neither Cascade Access nor its affiliates, suppliers, or agents shall have any liability whatsoever for any claims, losses, actions, damages, suits or proceedings resulting from, arising out of or otherwise relating to the use of such applications by you, or the access by others to the Customer Equipment or other equipment of yours.
10. **File and Print Sharing:** The Service functions in some ways as a Local Area Network (LAN) with each Customer constituting a node on the network. As such, users outside of the Premises may be able to access the Customer Equipment and other equipment connected in some way to the Customer Equipment. In addition, some available software includes capabilities that will permit other users to gain access to the Customer Equipment and other equipment connected in some way to the Customer Equipment, and to the software, files and data stored on such equipment. For example, operating systems such as Windows and Macintosh include file sharing and print sharing capabilities which, when enabled, will permit other users to gain access to the Customer Equipment and other equipment connected in some way to the Customer Equipment, even if you are not using the Service. Unless you are subject to a Service plan that expressly provides otherwise, we recommend that you connect only a single computer to the Service and that you disable file and print sharing and other capabilities that allow outside users to gain access to the Customer Equipment. You acknowledge that if you choose to run these applications, you should take appropriate security measures, and that any failure by you to follow this recommendation is at your sole risk. Neither Cascade Access nor its affiliates, suppliers, or agents shall have any liability whatsoever for any claims, losses, actions, damages, suits or proceedings resulting from, arising out of or otherwise relating to access by others of the Customer Equipment or any other equipment connected in some way to the Customer Equipment, or to the software, files and data stored on such equipment.
11. **High Risk Activities:** The Service is not fail-safe and is not designed or intended for use in situations requiring fail-safe performance or in which an error or interruption in the Service could lead to severe injury to business, persons, property or environment ("High Risk Activities"). These High Risk Activities may include, without limitation, vital business or personal communications, or activities where absolutely accurate data or information is required. You expressly assume the risks of any damages resulting from High Risk Activities.
12. **Facilities Allocation:** Cascade Access reserves the right to determine, in its discretion, and on an ongoing basis, the nature and extent of its facilities allocated to support the Service, including, but not limited to, the amount of bandwidth to be utilized and delivered in conjunction with the Service.
13. **Cookies:** You acknowledge that accessing certain web sites through the Service may result in a "cookie" being placed on your computer system. Cookies are small files stored on a computer's hard drive to simplify and improve a user's Web experience. It is your responsibility to disable or restrict the placement of cookies through whatever procedures are available on your browser if you don't want them placed on your computer system.

14. **Sole Remedy:** Your sole and exclusive remedies under this Agreement are as expressly set forth in this Agreement. Some states do not allow the exclusion or limitation of implied warranties, and some states do not allow the limitations or exclusion of incidental or consequential damages, so certain of the above exclusions may not apply. In such states, the liability of Cascade Access and its affiliates, suppliers, and agents is limited to the maximum extent permitted by law.

#### 10. Legal Action

This Agreement shall be governed under Federal laws and the laws of the State of Oregon. Sole and exclusive venue for any action brought in connection with this Agreement shall be either Federal or state court in Clackamas County, Oregon. Any section of this Agreement that is held illegal is severable if it does not destroy the intention of this Agreement and the remaining provisions shall remain in full force and effect. In the event any suit or action is instituted to enforce any terms of this Agreement, the losing party shall pay the prevailing party, in addition to the costs and disbursements allowed by statute, such sums as the court may adjudge reasonable as attorney's fees in such suit or action in both trial and appellate courts.

#### 1. Restrictions:

- (1) YOU MUST CONTACT US WITHIN ONE (1) YEAR OF THE DATE OF THE OCCURRENCE OF THE EVENT OR FACTS GIVING RISE TO A DISPUTE (EXCEPT FOR BILLING DISPUTES WHICH ARE SUBJECT TO SECTION 3 OF THE AGREEMENT), OR YOU WAIVE THE RIGHT TO PURSUE A CLAIM BASED UPON SUCH EVENT, FACTS OR DISPUTE.
- (2) ALL PARTIES MUST BE INDIVIDUALLY NAMED. THERE SHALL BE NO RIGHT OR AUTHORITY FOR ANY CLAIMS TO BE LITIGATED ON A CLASS-ACTION OR CONSOLIDATED BASIS OR ON BASES INVOLVING CLAIMS BROUGHT IN A PURPORTED REPRESENTATIVE CAPACITY ON BEHALF OF THE GENERAL PUBLIC (SUCH AS A PRIVATE ATTORNEY GENERAL), OTHER SUBSCRIBERS, OR OTHER PERSONS SIMILARLY SITUATED.

#### 11. Miscellaneous

1. **Contacting Us:** For any inquiries or notices required in connection with this Agreement, you may contact us at [cascadeaccess.com](http://cascadeaccess.com) or in writing to Cascade Access, Attn: DSL Customer Service 303 SW Zobrist, Estacada OR 97023
2. **Notice:** Cascade Access may deliver any required or desired notice to you by posting it on the Service's web site at [cascadeaccess.com](http://cascadeaccess.com) or on another web site about which you have been notified, or by sending notice via e-mail, first class U.S. postal mail, or overnight mail to your physical address of record or the e-mail address on Cascade Access's account records. You agree that any one of the foregoing will constitute sufficient notice. Because we may from time to time notify you about important information regarding the Service and the Agreement by these methods, you agree to regularly check your postal mail, e-mail and all postings on the Service's web site at [cascadeaccess.com](http://cascadeaccess.com) or on another web site about which you have been notified and bear the risk of failing to do so.
3. **Changes to the Service and the Agreement:** Cascade Access may, in its sole discretion, change, add to or remove portions of the Service (including without limitation content, functionality, hours of availability, equipment requirements, speed, and upstream and downstream rate limitations) at any time without notice. In addition, we may amend or modify this Agreement at any time in our sole discretion upon thirty (30) days prior notice to you. We will notify you of any such amendments or modifications as set forth in Section 10(b) above. You agree that any one of the foregoing will constitute sufficient notice of these changes. Your continued use of the Service following notice of these changes shall be deemed to be your acceptance of any the changes. If you do not agree to any changes, you must immediately stop using the Service and notify Cascade Access that you are terminating this Agreement. You will then be entitled to a refund of any unused portion of any monthly service fee for the Service that has been paid by you in advance (less any outstanding amounts due Cascade Access for equipment or other applicable fees and charges). You may not amend or modify this Agreement without Cascade Access's prior written consent, which we may provide or withhold in our sole discretion. Any attempt by you to amend or modify this Agreement by any other means, including but not limited to, a check notation, a restrictive endorsement, or a note with a payment, is invalid and unenforceable.
4. **No Relationship:** Nothing in this Agreement will create any joint venture, joint employer, franchisee-franchisor, employer-employee or principal-agent relationship between Cascade Access, any content,

- backbone, network, circuit and other technology or communications providers, software and other licensors, hardware and equipment suppliers or other third party providers of elements of the Service, nor impose upon any such companies any obligations for any losses, debts or other obligations incurred by the other.
5. **Assignment:** Cascade Access may assign its rights and obligations under this Agreement, without notice, to (i) any affiliate of Cascade Access, (ii) to any party (or its affiliate) acquiring all or substantially all of the assets or stock, by merger or otherwise, of Cascade Access or any affiliate of Cascade Access, or (iii) to any person or entity purchasing or otherwise acquiring the Cascade Access system serving the Premises. This Agreement may not be assigned or transferred by Customer without Cascade Access's prior consent.
  6. **General:** This Agreement and all exhibits hereto constitute the entire agreement and understanding between the parties with respect to the subject matter of this Agreement, and supersede and replace any and all prior written or verbal agreements. In the event that any portion of this Agreement is held to be unenforceable, the unenforceable portion shall be construed in accordance with applicable law as nearly as possible to reflect the original intentions of the parties and the remainder of the provisions shall remain in full force and effect. Cascade Access's failure to insist upon or enforce strict performance of any provision of this Agreement shall not be construed as a waiver of any provision or right. Neither the course of conduct between the parties nor trade practice shall act to modify any provision of this Agreement.

**Home brew Programming Interfaces**

Just wondering if anyone else builds their own PC to Radio programming interface.

I cringe when I hear folks talking about dropping more \$\$ on yet another factory (or third-party) interface when they likely already have one that would work (with the proper pin out and connector) or could easily build one for next to nothing.

My home brew universal programs all of my Yaesu ham radios, my Vertex Standard VHF marine handie with 40 programmable 136-174 MHz channels, my 110w Low and Hi-Band GE RANGR [built by JRC] comm1 two ways (via their S-820 megaheads), my GE MVS Hi-Band and UHF mobiles, my GE MLSII 60w Lo-Band mobile, my GE PCS VHF & UHF handies, my EF Johnson VHF, UHF and 800 mobiles, my Hitachi made Midland VHF trunk mount mobile, my Trunking scanner

from what I see on the web, the same circuitry *should* work with most Icoms, Kenwoods, Yaesus, Vertex, etc.

I built one for Motorola (RIB) and one for Icom (OPC-478.) If I recall correctly I have used the OPC-478 on a Yaesu also.  
 The only thing that I bought aside from some of the components was a cheap knockoff cable for the Motorola HT1000 and it was worth it.  
 I had fun building the interfaces and saved good money.

Sooooooooo.....

You just gonna leave us hangin???? PLANS, PLANS, PLANS!!!!????!! I'm all about this! I have a few Vertex commercial rigs(1 FTL-2011 VHF and 3 VX-3000Us UHF), two Yaesus, radio shack programmable scanner, and a few others. I'd love a universal cable with multiple ends, mini-din, rj-45, etc. In fact I'm about to throw down a good chunk of change on a couple cables because the one I have for my Yaesus is Daniels, and I don't have one at all for my Vertex radios. I just bought 3 brand new(to me) old VX-3000U's at Rickreall I'm gonna use for GMRS. Need mics for them, too, but also need cable. I know they work, even fired em up. Just need the mics and a prog cable.

Yessir - I'm going to expand on this thread as soon as I have a little more time.

Jeff,  
If you have an FTL-2011 prog cable,  
it appears that it is the same for VX-3000

This link *seems* to confirm that:  
<http://www.radioarena.co.uk/index.ph...&productId=750>  
note: model listing

here is the pinout for the VX3000 mic jack:  
8 pin modular  
1 - Hook  
2 - NC  
3 - PTT  
4 - Mic  
5 - Gnd  
6 - +9V  
7 - CL\_SW  
8 - CL\_Data

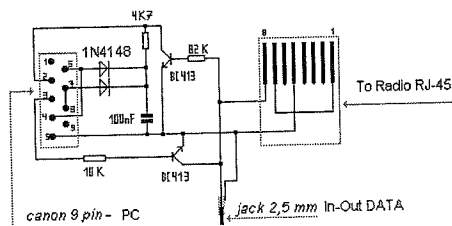

from page 4F-1 in the VX3000 service manual.

FTL-1011 Prog Info:  
[http://yo4hfu.dmon.com/index/yaesu\\_f...face\\_soft/0-50](http://yo4hfu.dmon.com/index/yaesu_f...face_soft/0-50)

Info on a universal programmer and the 400 radios on which it's been tested:  
[http://kom-inform.euro.ru/pr\\_eng\\_s.html](http://kom-inform.euro.ru/pr_eng_s.html)

It doesn't get any simpler than this:

PROGRAMATOR YAESU UNIVERSAL

**BTW What prog cables do you have now - (for what radio makes and models)?  
You might be able to modify what you already have...**

## MULTNOMAH COUNTY SHERIFF'S OFFICE

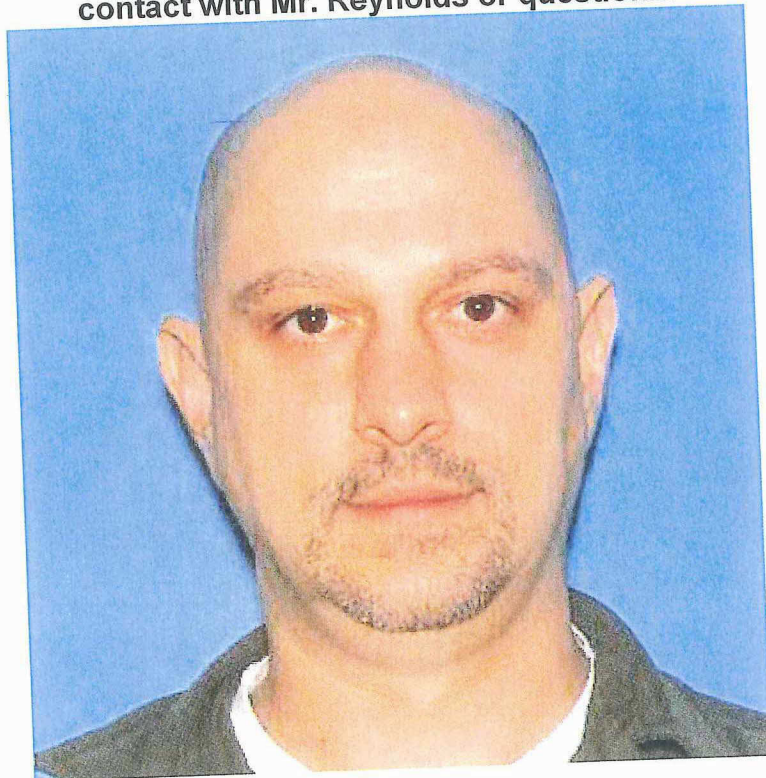

### OFFICER SAFETY

MCSO #13-406989

Gregory Michael Reynolds 8/17/73 lives at 35612 SE Macinnes Rd in Corbett, OR. He has an issue with PSU and has threatened to shoot up a school on several occasions and has filed lawsuits. At one point, he mentions an unknown elementary school as a possible target. Recently Deputies Graziano and Cortada attempted to contact him at his residence. Shortly after, he sent another threatening email asking "At what point can I open fire when my rights are continuing to be violated like this" and "...the Multnomah County Sheriff's office, they are criminals and I no longer recognize their legitimacy. They are trespassed from my property and I will use any means necessary to defend it." We should only go to his residence on official business. Should you get dispatched to the home, a report/special MUST be written documenting the nature of the call and your contact with people at this location. Take a new case number, but reference 13-406989 and place a copy in my mailbox. The house has been flagged UFN for a mandatory 3 car response.

Please contact Detective Rian Hakala at 503-251-2402 or [rian.hakala@mcsso.us](mailto:rian.hakala@mcsso.us) if you have any contact with Mr. Reynolds or questions.

## FAX COVERSHEET

**TO: ALL PORTLAND STATE UNIVERSITY BOARD OF TRUSTEES**

**FROM: GREG REYNOLDS AND CHRYSTAL M BADER,  
OREGON DEPARTMENT OF JUSTICE**

Dear Swati Adarkar, Gale Castillo, Sho Dozono, James Francesconi, Thomas Imeson, Fariborz Maseeh, Rick Miller, Pete Nickerson, Peter Stott, Christine Vernier, Maude Hines, Erica Bestpitch and Pamela Campos-Palma:

The Oregon Department of Justice has referred me to you to fulfill my legal Freedom of Information Act Request. Portland State has refused to respond and therefor legal action has become necessary. PSU also maintains a website about my exclusion, attached are the fines for violating my rights daily. As you can see, the penalties are quite steep, and the press has been following this for quite some time, witnesses are not a problem. Please impress upon your faculty and staff the importance of making a step in the right direction to adhere to the law. As you have probably learned so far, the law kind of sometimes applies and sometimes does not.

I look forward to a resolution to this dispute in a court of law.

Sincerely

Greg M. Reynolds

## Narrative

## ASSIGNMENT:

On 11/21/11, at 1426 hours, I was dispatched to 1936 Camellia Avenue for a report of a suicidal male. The call had originally been reported to Phoenix Police Department and I spoke with Officer Richmond about the situation, while I was responding to the residence.

## ACTIONS/OBSERVATIONS:

Officer Richmond told me that he received a call from a female friend Michelle Papac reporting that she had seen some disturbing comments on Facebook posted by the subject, Greg Reynolds. Papac told Richmond that Reynolds was threatening to end his life because he hated living in Medford and had no job. Papac advised that mental illness and suicide runs in Reynolds's family and she believes his threats to be credible.

Officer Schilder and I responded to the residence and made contact with Greg Reynolds. Reynolds is currently living with his grandmother and she was present in the living room when we first contacted Reynolds. Reynolds was laying asleep on the couch when we first made contact with him. Reynolds appeared to be disheveled and requested a couple of seconds to gather his thoughts prior to speaking with us.

## REYNOLDS STATEMENT:

Officer Schilder first asked Reynolds, "Is it reasonable to believe that when you were intoxicated last night and you wrote some stuff on Facebook that it eluded to the fact you wanted to kill yourself?" Reynolds answered, "Yes." Reynolds further stated that when he drinks alcohol he gets more frustrated with his situation and wants to kill himself. Reynolds said, "If I stay in Medford much longer, I am going to have to kill myself." Reynolds told me that his Uncle committed suicide. Reynolds told me that he is depressed because he has not been able to locate work and is currently unemployed and living with his grandmother. Reynolds told me that he is a grown man and is embarrassed to not have a job and to be living with his grandmother.

Reynolds told me that he would be willing to go to the hospital and get a mental health evaluation as he thought that he could be a danger to himself. Reynolds told me that he did not have any access to weapons. Reynolds told me he does not own any guns or knives.

## INVESTIGATION CONTINUED:

I took the subject into protective custody at 1451 hours. Reynolds was handcuffed and I double locked them after checking them for proper fit and tightness. I transported Reynolds to

Narrative:

I received a complaint that was regarding emails sent to US Bank via secured account. The person with the account that was last known to reside in Oysterville Washington. I checked the name and didn't find anyone in our system.

I arrived at our office and placed a phone call to Kelly Hawthorne of US Bank, Senior Investigator. She explained the situation and sent me information via email in a pdf file. I examined the information from that point in attempt to locate the possible suspect known as Greg Reynolds.

Through the documents sent, I checked the last recorded address. I noted that another subject resides there but also noted in the comments field that he did not want Reynolds on his property. I attempted a phone call and got no answer.

I emailed Hawthorne and advised of what I learned and that another option might be through an IP address that might get a town the email was sent from. Hawthorne wasn't sure where Reynolds might be and the range was from Oysterville to Medford Oregon.

On 4.15 in the early morning, I made contact with Greg Dewey at the 32912 Sandridge Road address. Dewey said that Reynolds has not been there for over a year and last heard he was staying in motels in Vancouver, Washington. This confirmed the information I found as well.

I then sent an email to Hawthorne letting her know my findings and likely location. I also advised that I would be closing the case.

Sgt. White #40966  
Deputy Lazzini #44893

On 07/20/2012, at approximately 1410 hours, Chief Zerzan briefed me on an ongoing investigation regarding an email sent by a Portland State University student containing a statement regarding walking into a school and opening fire. Chief Zerzan asked that I contact the student, Greg REYNOLDS, at his residence and interview him regarding the email.

Chief Zerzan provided me with a printed copy of emails relating to the investigation (see attached copies). Based on the provided emails, I learned that on June 29, 2012 a person identifying themselves as Greg M. Reynolds emailed the Office of Public Defense Services and requested advice on how to obtain an appellate attorney. The identifying name on this e-mail was greynolds@portlandstate.org (not a pdx.edu email address), and was sent from greynolds73@gmail.com. The email contained references to a conviction in Lane County and included references to a Lane County Circuit Court Judge, Lyle Velure.

Nancy Cozine, the Executive Director, responded to this request on July 2, 2012 via e-mail and provided information to the sender. On July 12, 2012 Greg Reynolds responded to the reply in an e-mail stating, "Thanks for your attempt to help. I fear that the only way to see justice in this case is to walk into a school and open fire. Ennis Michael pugh forced me to suck his dick and swallow his cum, but nobody cares about my rights. Thank you anyway."

Nancy Cozine forwarded the e-mail to District Attorney Alex Gardner, who in turn forwarded it to his investigator, Steve Walker, along with the Chief of the Eugene Police Department, the Sheriff of Lane County, and the Chief of the Springfield Police Department.

FBI SA Joe Boyer, was forwarded the email and noted the portlandstate.org reference and forwarded the information to Chief Zerzan.

On July 12, 2012, a check of student records found a current Portland State University student named Gregory M. Reynolds. Further checking found a different pdx.edu email address, and a check of his criminal history did not show any convictions in Lane County, Oregon. It also showed that he currently resided in Corbett, Oregon.

On Friday, July 20, 2012, Chief Zerzan requested information from the DA investigator and learned that Greg M Reynolds DOB 08/17/73 had been prosecuted by DDA Michael Pugh in 1994. This name and DOB matched the information for the current PSU student.

Since REYNOLDS lived in Multnomah County, Chief Zerzan made arrangements to have a Multnomah County Sheriff Deputy respond to the location as well. Ofc. Sylloglou and I met with Sgt. White and Deputy Lazzini at the Multnomah County Sheriff's Office, located at 12240 NE Glisan St., before proceeding to REYNOLD'S home at 35612 SW Macinnes Road, Corbett, Oregon.

Upon arrival, Sgt. White and Deputy Lazzini initially approached the house and spoke with REYNOLDS. I saw that there was another male present. I heard Sgt. White explain that a couple officers from Portland State University wanted to speak with him regarding an email. I could not

hear the response, but I heard Sgt. White explain that it would only take a few minutes. Again, I could not hear the response, but I heard Sgt. White stated that we had driven all the way up there to talk with him. Sgt. White then motioned for us to approach the house.

As we approached, Sgt. White directed us to a male standing on the house deck and introduced him as REYNOLDS. I recognized REYNOLDS from his DMV photo. I noted that REYNOLDS was holding his left side as though he was in pain. Sgt. Explained that REYNOLDS had hurt his ribs.

I introduced myself and asked REYNOLDS if I could speak with him for a few minutes. REYNOLDS said yes. I asked REYNOLDS if he wanted to go inside to talk. REYNOLDS stated that we could speak outside. I explained that I was following up on an email that he sent to the Office of Public Defense. I noticed that REYNOLDS head slumped slightly forward and he started nodding his head. I asked REYNOLDS if he knew the email to which I was referring. REYNOLDS nodded his head yes. I asked REYNOLDS to tell me about the email. REYNOLDS stated that he was frustrated because he had been fighting a conviction for nineteen years and "said something I shouldn't have." REYNOLDS stated that he had sought counseling. I asked REYNOLDS when he saw a counselor. REYNOLDS stated that he had made an appointment last week.

I asked REYNOLDS about the statement regarding "going to a school and opening fire." REYNOLDS nodded his head. I asked REYNOLDS to explain his thought process at the time of the email. REYNOLDS again stated that he was feeling frustrated. I told REYNOLDS that I understood he had made some steps in the past weeks, but I wanted to understand his thought process at the time of sending the email. I asked REYNOLDS if at that time he considered the statement a possibility. REYNOLDS nodded his head and said, "Well, yeah." REYNOLDS again explained that he had been feeling very frustrated. I asked REYNOLDS what made him think of that specific scenario. REYNOLDS said, "Well, it's all over." I asked REYNOLDS what he was referring to. REYNOLDS paused and then stated that he was watching it right now. I asked REYNOLDS to clarify a little more. REYNOLDS said, "The shootings." REYNOLDS motioned towards the house (presumably towards his TV) and stated that he was watching the Denver "thing."

I asked REYNOLDS if he still felt the same way. REYNOLDS said no and that he had options. I asked REYNOLDS if he could tell me some of the options. REYNOLDS stated that he had called a counseling line the previous week and was going to follow up. I asked REYNOLDS which line had had called. REYNOLDS said it was a 1-800 number. REYNOLDS stated that he had spoken with Legal Services at PSU and they were going to help him with his conviction. REYNOLDS also stated that he had called Student Health and Services. I asked REYNOLDS if he had made an appointment with SHAC. REYNOLDS said he was not sure when he could go to PSU because of his injury.

I asked REYNOLDS if he owned any firearms. REYNOLDS said no. I asked REYNOLDS if there were any firearms in the house. REYNOLDS said no. I asked REYNOLDS if he had access to firearms. REYNOLDS stated that some of his friend owned firearms. I asked REYNOLDS if anyone else lived with him. REYNOLDS said no. REYNOLDS explained that the other male was a friend who was helping him. I asked REYNOLDS again if there were any firearms in the house. REYNOLDS said no.

I asked REYNOLDS if he felt as though his statement was a possibility. REYNOLDS said no. REYNOLDS then stated that he had options. I thanked REYNOLDS for his cooperation and explained that I would complete a report regarding our conversation.

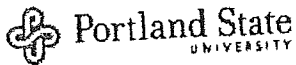

Nothing further.

He's got a Portland Stat email address - so please notify Portland Police Bureau too - just in case! Obviously, somebody needs to have a talk with him.

Dear Ms. Cozine:  
My name is Greg Reynolds and I referred to your office by the Oregon Appellate Court Clerk who has given me some very helpful instructions on how to appeal my case either with legal aid, or without. Since your office was listed at #1 for legal for those of us who cannot afford legal aid. I guess my question is, how do I apply?

Without going into the details through email, I was convicted of felony in Lane County. To spite being on food stamps, I was denied an attorney by Lyle C. Velure. As a result, I sought out the best attorney I could find who was willing to accept food stamps for payment since I was making less than \$3,000 per year. As you can imagine, I got no defense, I got no legal advice, and I have no idea if he possessed the skills commensurate to level and nature of the alleged crime.

What is the process for applying for aid?

Sincerely,  
Greg M. Reynolds

The email written by Reynolds indicated he had been prosecuted by Mike Pugh, here in our office. The only case I could find was involving Reynolds, Greg Michael 8/17/73. That case was from 1994. We've had no record of him since. His ODL currently shows 35612 SE Macinnes Rd, Corbett. ODL # 4836765. I turned all the info over to our local FBI office. Steve

Steve,

Thanks. He is a current PSU student and is enrolled for summer classes. We have no history with him and he has been attending classes on Monday and Wednesday. We will address this as a student conduct issue, but it sounds like he needs to be interviewed and his residence checked out for a threat assessment. I am not sure who has taken the lead on this, and I know that there has been some conversation with PPB.

We will assist in any way that we can.

Chief Zerzan,

Sorry I didn't get your message sooner - I was off in the woods near Mt Hood enjoying some family time camping, prior to heading to Wash DC for the week.

Regarding GREG MICHAEL REYNOLDS, DOB 8/17/73, I have not received any updates from Lane County or otherwise.

Your LT was the last person I had contact with on this, and that was moments after I talked to you last.

Any update on your end?

Thanks,

Glenn

No, I spoke with Mike Morrow (former FBI at U of O now). We both believe that this is more closely related to Lane County, i.e. the reference to Judge Velure, Mike Pugh (former Lane County DA), and the felony conviction in Lane County. Mike and I have limited resources or authority to investigate this, and are taking the information as an advisory.

I note that the Lane County DA originally referred this to his investigator. Mike called the DA investigator to find out if he is taking the lead, or what has been done. We have not heard back.

Thanks. He is a current PSU student and is enrolled for summer classes. We have no history with him and he has been attending classes on Monday and Wednesday. We will address this as a student conduct issue, but it sounds like he needs to be interviewed and his residence checked out for a threat assessment. I am not sure who has taken the lead on this, and I know that there has been some conversation with PPB.

We will assist in any way that we can.

Deputy Graziano,

First off, I got your contact info from Lt Ned Walls. He gave me your email as: joseph.graziano@mcso.us, and your cell as (503) 849-1206.

A PSU student who resides in Corbett, a GREG MICHAEL REYNOLDS, sent a threatening email that you will see at the end of this email.

PSU Public Safety would like to have this person interviewed and a threat assessment conducted, and I would request that you reach out to Chief Zerzan to coordinate.

I tried to assemble all the pertinent details from multiple emails into this one to make it easier on everyone.

Thanks, everyone!

This is a forward of an e-mail from Greg Reynolds. All of our agencies have had some involvement with him regarding his propensity to sent semi-threatening e-mails to all branches of government. Most recently he was contacted and held on a mental health hold for threatening SSA. He lives in Troutdale and when we had involvement with him, he did not have access to firearms.

I am concerned regarding his most recent e-mail due to the specificity of declaring war on PSU. He is currently excluded from PSU and his image is on our web page. My office has limited ability to conduct a current assessment regarding his ability to act out on this threat and I am seeking assistance as well as identifying who will take the lead on this.

I wanted to update you on Greg Reynolds.

On 7/23/2013, SA Green and I went to Reynolds' house and contacted him outside. He said that he was on his way out and asked if he could come into the office the following day. He agreed to come in at 9 AM. I asked him about the "War" remark in his e-mail – he stated that he had no intention of causing harm to others or himself, and that he was not a threat. SA Green gave him his business card, and I wrote my desk number on it.

Reynolds sent SA Green an email at around 7 PM stating that he spoke with legal counsel and was advised to come in and talk only if we were going to investigate his civil rights complaints, otherwise he was asserting his constitutional rights and would not come in. He addressed the "War" remark in his e-mail, "The only "war" which exists is the one for my rights, my day in court, and against further discrimination, whether it be because you are gay, or disabled, or black, etc., or any combination thereof."

On 7/24/2013, SA Green responded to the e-mail stating that we wanted to talk to him about several things including his civil rights complaints, and if he had any questions he could call in and talk directly to one of us. Reynolds never showed up or called.

Dear Reader:

A state of war has existed between Greg Reynolds and Portland State University, a terrorist organization per the USA Patriot Act, for over a year now. That can be verified by many Senators, the FBI, Kristen Snowden, PSU and a great many press outlets across the country, and more recently internationally. I have been disabled per PSU's testimony and actions and am on Social Security benefits as a result of PSU's illegal actions and the state of Oregon. Senator Ron Wyden and Governor John Kitzhaber have known about and been trying to cover up how Dennis Michael Pugh forced me to suck his dick and swallow his cum 20 years as a young and stupid Lane County ADA. During my fight for justice the Oregon DMV informed me that PSU conducted an investigation into my DMV record as a law enforcement agency and even came to my home. After conversations with the police union, Multnomah County DA, and the Oregon Attorney General's office, PSU campus public safety officers are in fact not commissioned officers at all and as such they answer to nobody in the entire state of Oregon. By law however, impersonating a police officer is a very serious offense, I have filed formal complaints with Congress and the FBI and I reserve the my rights up to and including deadly force to stop any further illegal activities from those who impersonate lawful police officials. As a result I will require proper identification from anyone claiming to be represent law enforcement and will not be able to comply with requests or interact in any way with law enforcement until their identity can be verified as lawful. PSU has denied me my right to a trial under the 4th Amendment to the US Constitution, they have levied fines against me without a day in court as promised my US Senator Ron Wyden over this incident when it first began, they have discriminated against me in violation of the American's with Disabilities Act, and they knew about it, they ordered mental health care, and then took away any access to it. Entrapment is also a crime and PSU is legally responsible for any damages I may have caused, or am continuing to cause as a result of their negligence. One way or the other PSU, Senator Ron Wyden promised me a day in court with PSU over this, and mark my words, this is WAR and I will have my day in court come hell or high water! PSU accepted by certified mail, damages to Greg Reynolds in the amount of 12,000,000, interest has been compounding daily at the prime rate ever since, the Oregon Attorney

REYNOLDS00000398

General's office has also accepted the claim and accepted PSU's guilt.

PSU expelled me after I was not a student because of a disability THEY IDENTIFIED. I would not be on disability if it were not for PSU. After repeated lawful requests for police reports PSU has also refused payment, as their illegal police department disallowed bursar communications. Refusal of payment, means you have nothing to legally collect. I have grown tired of PSU's legal violations. PSU is not to contact Greg Reynolds at any time outside of a court of a law. This debt is in dispute, if you turn it over to collections, you do so knowing that it is in dispute and we are in fact going to court. If you think I owe this debt, then sue me and we will discuss all of these issues in the court room. If you continue to contact me after this, I can and will employ everything in my power to stop your illegal activities with continue to violate my rights.

PSU, you wanted to pick a fight with me, I asked for an attorney, you knew I couldnt afford one and now you have used information about an incident which is "deemed to have not occurred" by the US Secret Service, Social Security, Multnomah County, State of Oregon, the FBI, and basically anyone who could back you up. Where did you get your documents, which according to these agencies, "dont exist". Did you manufacture these documents, I have never actually seen them, but I will.

Sincerely

Greg M Reynolds

Hey Pete,

Looks like this guy was already on the PPB radar. This exclusion from the PSU campus notice was posted back on July 20<sup>th</sup> stating that law enforcement is looking into him for sending a threatening e-mail. Looks like he's still at it. He CC'd us on his latest e-mail again, this time to DMV asking why his picture is posted on the PSU website with the warning.

Sorry for raising a red flag on someone that you guys already knew about, but all of his recent talk about Sandy Hook "being a day of justice not a tragedy" set off all kinds of alarms for me.

Anyway are you guys doing anything actively with this case?

I'm passing this along to you. This guy keeps cc'ing us on e-mails and is obviously mentally unstable and very upset. Looks like he was kicked out of PSU, owes them money and keeps going on about the shooting at Sandy Hook being "justice served" and in this e-mail he also references a 9 11 and Oklahoma City and hopes that there will be a massacre in his name.

I don't know if he's on the PPB's radar or not yet, but I'd thought I'd put him there just in case.

Thank you. I will always have September 11 and what happened at Sandy Hook Elementary as well as Oklahoma City as days that justice came to America. I will always hold hope in God that there can be a massacre in my name for my civil rights that no one cares about and that I am not entitled to.

Thank you ACLU, I look forward to adding your response to the public release of information I am about to make. Not even the ACLU cares about rape, and civil rights violations. It is you that continues to contribute the violence in our country. Its all we have.

Dear Social Security-

Apparently being a tax payer, and hence, your boss, means rights civil rights observation, and common courtesy and

respect do not apply. After all you are God, well you and Portland State University. I have been requesting information vital to my claim for which an appeal has been filed in accordance with your written instructions. SSA has not provided the requested information, made public statements about my mental health, which resulted in my expulsion without a trial, no criminal charges filed, but a public threat warning posted by PSU, which remains, to spite what the courts said. Also public record. This is a pretty loud admission by SSA that there is a mental illness here and with such a public threat and treatment required, why has SSA not provided those services in the interest of public safety and welfare? (PSU went out of their way to ensure I no longer have access)

So because of the illegal actions by Portland State University, I contact Senator Wyden, who has promised me my day in court over all of this, but still PSU and SSA ignore me and my civil rights. Senator Wyden and I have a history, he is aware and has been using his office to protect Dennis Michael Pugh and the State of Oregon for violating my civil rights 20 years ago and there is sexual abuse there as well.

And let's not forget that even though charges were not filed, I got to experience unlawful search and seizure first hand, by agencies who are refusing to give me copies of their reports, or file charges, yet I pay the price of their epic failure and they as well know of the sexual abuse and civil rights violations. The Secret Service, FBI, and Department of Homeland Security deny they were here and have filed no reports, but the pictures my neighbors took and posted on Facebook, tell a very different story. Which is why this week I had to contact the defense for the bomber in the Portland Pioneer Square issue, I can aid you in your proof that the FBI entrapped you, just like PSU did to me when they required mental health care, suspended me, and then while suspended, expelled me for the care they denied me and removed any access too. The Multnomah County Sheriff only served as transport, the big boys kept him outside with the other people at the residence that day.

You know SSA, you even had me held at Portland Adventist Medical Center against my will for 12 days, 5 being the maximum legal limit to spite my daily requests for legal counsel. All of this is documents, in the hands of the press, Barbara Boxer; Senate Ethics Committee, KOIN, CNN, The Washington Post, Oregon Department of Justice, US Department of Education, US Department of Justice, INTERPOL, Senator Ron Wyden's office, Nancy Cozine; Oregon Public Defenders Office, Governor John Kitzhaber, and many, many more. Do you think there are enough people involved that I could get a response please, I have bills to pay, medical attention to seek, and a fight to wage with Portland State University and the State of Oregon over my civil rights. I can't afford an attorney, so I am acting on my own and will continue to do so for the foreseeable future. Cardon Outreach was representing me, however, they appear to have difficulty in reaching me so they terminated me for their inability to comprehend and use basic office equipment. Apparently they don't teach that in law school.

Thank you, if you need any documents, please contact me. Have a great weekend. This email is not monitored on weekends and holidays usually.

Dear Mr. Thomas:

Per a court order I have been found to "NOT BE THREAT TO MYSELF OR OTHERS" case number 120970073. The Vanguard, and all public safety campus information alerts need to be updated in a timely manner to reflect the court's decision and clear my name. Obviously there are very serious legal considerations here and I am sure you will hear from legal counsel in any event but this updated information needs to be updated promptly after your verification with Multnomah County Courts to avoid further punitive damages which are ticking as we speak.

Thank you

Greg Reynolds is in custody on a mental health hold from the Multnomah County SO related to threats he made regarding a school shooting at PSU. These threats were made to the Social Security Administration and the USSS will be presenting the case to the US Attorneys Office for consideration.

I then received a phone call from FBI SA Glenn Norling, who told me that he had also received the email. I told him that the PSU student Greg Reynolds did not have a Lane County conviction, and that the email address was not a university address.

On Friday, July 13, 2012 I left a message for Norling requesting an update. On July 16, 2012 I received an email from SA Norling telling me that he had not received any follow-up information from the DA Investigator. I told him via email that both U of O and PSU had limited authority to investigate and were taking the information as advisory.

I also spoke with University of Oregon Public Safety Captain Mike Morrow, and we discussed the information, as well as the need for this information to be followed up and a threat assessment conducted. Morrow attempted phone contact with DA Investigator Walker to ascertain the status of identifying the sender.

On Friday, July 20, 2012 I requested information from the DA investigator and was told that he had checked court records and found that Greg M Reynolds DOB 08/17/73 had been prosecuted by DDA Michael Pugh in 1994. This name and DOB matched the information for the current PSU student.

I followed up with Walker via phone, and told him my concern that this person needed to be interviewed and a threat assessment conducted. I further advised him that we would be speaking with the student on Monday to address the email as a student code of conduct violation.

I contacted the Dean of Student Life's Office and learned that Reynolds was currently attending summer term classes, and would next be on campus on Monday, July 23.

I sent an email to SA Norling, advising him of this information, as well as my concern that Reynolds had not been interviewed.
