Overturned

No Damage

Your Vehicle Checks Out AutoCheck has not received any accident or damage-related events from government sources, independent agencies, or auction sources. Not all damage-related events are reported to AutoCheck. It is recommended to have pre-owned vehicles inspected by a third-party prior to purchase.

Open Recall Check

Information Reported: AutoCheck found 2 open recall(s).

It is recommended that this vehicle be taken to the nearest dealer to have the recalled components replaced or fixed. Service bulletins if available are not part of open recalls and can be found in the vehicle history details.

† This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.
