## May 2020

A Publication of Calvary Lutheran Church, Moline, Illinois

From the Pastor

My intention for this letter had been to speak encouraging words about our connections as members of the body of Christ despite our physical distancing. And then I saw in a TV news report on the protests in various places demanding that governors end restrictions related to the coronavirus, the following words painted on the side of a truck, "Jesus is my vaccine." I decided I couldn't let that go without some kind of response.

I do not believe that our response of suspending in-person worship and activities at our church buildings represents a lack of faith. Since the beginning of human history people have struggled with the relationship between suffering and God. That is what the book of Job is all about. And I think, in the end, Job doesn't answer the question, but rather affirms that suffering happens and that God doesn't cause it but is there with his children in the midst of it. I think to say, "Jesus is my vaccine," is to imply that those who are infected with the virus are somehow less faithful or less good. That's not how our loving God works.

Rather I am reminded of the familiar story about the man trapped by rising flood waters. Three times he refuses the help of rescuers, each time boldly asserting that God will rescue him. He is finally overcome by the flood waters and drowns. Upon arriving at the pearly gates he expresses frustration that God that did come to save him despite his faith. To which God replied, "I sent three people to save you and yet you would not let them."

God, we are certain, works through his people. God calls on us, and enables us, to take care of each other. That is where we know that God is present during the turmoil of this life. In the midst of this current crisis the best way we can take care of each other is to keep our distance. The best way we can care for each other is not spread the virus. The best way we can care for each other is to connect with one another through phone calls or cards or emails or video chats.

Be assured. Our response to the current pandemic – suspending our worship and activities – *is* the faithful response and the best way for us to love our neighbor.

Until we can gather together again, please stay safe and help keep others safe.

In Christ,  
*Pastor Knowles*

### 2020 Shoe Drive - Romania

Thanks to everyone who donated in the past for the kids in Romania. This year we will again be collecting shoes. Our shoe drive will be from now through July 26th.

We will be collecting:

- 1) new shoes for kids aged 3 to 14 years old, and
- 2) money to go towards shipping costs.

More information and updates will be provided in upcoming newsletters and Sunday bulletins. I have seen the expressions on their faces as they receive new shoes. They truly appreciate these gifts.

Thanks again, Greg Johnson  
**During the month of April** we have received the following words of thanks....

Dear Friends, I would like to thank my Calvary family for all the cards I have received. A special thank you to Betty Clark for my beautiful flowers that she had sent to me in February. I miss you all very much.

---- Sincerely, Kay Chase

The board, staff and volunteers at Churches United of the Quad City Area gratefully acknowledge and accept your most generous gift to our Christ-centered mission. Your special Super Bowl of Caring contribution of \$200 to our ministry helps us keep the doors open at Winnie's Place and food on the shelves of our 25 neighborhood food pantries on plates at our 2 free hot meal sites.

We would also like to acknowledge your monthly contribution of \$150 to the Moline/East Moline Custer of Churches.

Thank you for your thoughtful and caring commitment to help those among us who are most in need.

----Blessings, Rev. Dr. Melvin Grimes, Exec. Dir.  
and Betsy Vanausdeln, Assoc. Dir.

Your gift to LOMC in the amount of \$213.33 gives us hope and strength to continue to minister despite the invasive threats around us. You may be aware that since mid-March we have been unable to welcome guests to LOMC due to the COVID-19 virus. We regret that groups have been unable to enjoy God, creation and each other.

After much prayer, research and conversation; the LOMC staff and Board of Directors have made the important decision to cancel our eight weeks of summer camp.

----Blessings and peace, Robert Gieraltowski,  
Executive Director

No Monthly or Serving Calendar will be in this issue. When church services resume, we will be asking those in attendance to help fill in as needed, especially as Greeters, Ushers and Counters. Though both Ushers and Counters do have a schedule which will help, though if you prefer to stay home that is perfectly Okay. We want everyone to be comfortable and be safe.

# CHANGED!

Make this cute puppet to show and tell the amazing story of metamorphosis.

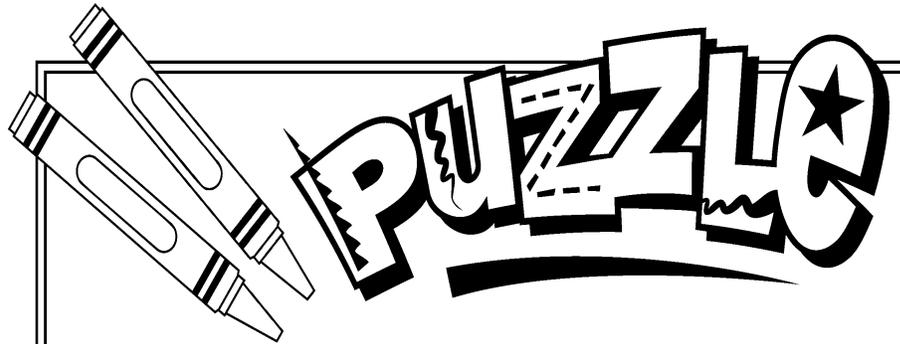

### What you need:

- Needle and string
- 12 small pom-poms
- Wooden craft stick
- Scissors
- Googly eyes
- Glue
- Coffee filter
- Markers

### What you do:

1. Sew pom-poms together to make a caterpillar body. Tie off that string.
2. Thread another string up through the first pom-pom, leaving 12 inches to dangle. Repeat with the ninth pom-pom, leaving two dangling strings.
3. Wrap those strings around opposite ends of the stick, adjusting their length to about 6 inches. Tie in place.
4. Glue on eyes.
5. Flatten the coffee filter and draw a symmetrical design on it. Pleat in the center to create wings.
6. Move the caterpillar puppet by holding the stick. Glue on the wings as you describe the transformation into a butterfly.

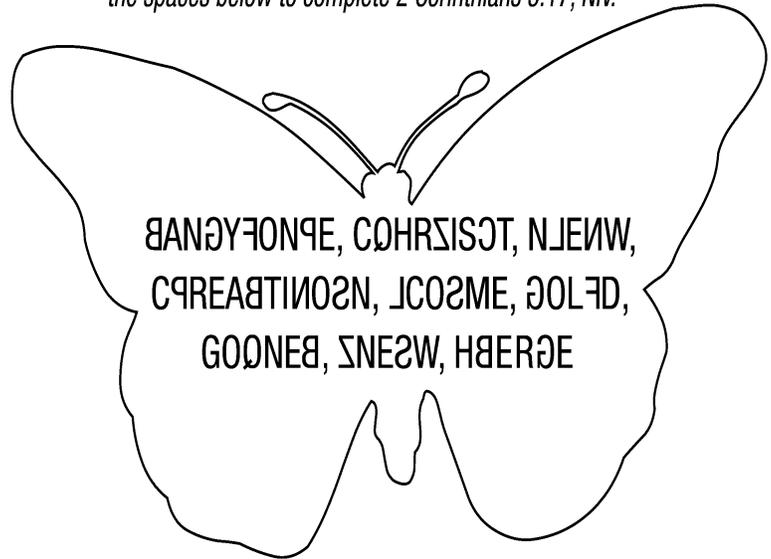

# Transformation **POWER**

Just as the caterpillar becomes a butterfly,  
God transforms us from old to new.
