~Brought to you by The Platteville Historical Society

YEAR END EVENTS:

Soup with a Veteran - November 11th.

Christmas Sing-Along at the Platteville Public Library on Dec 12th

Christmas Recipe Exchange.

A SEASON OF MEMORIES

As we reflect on another successful year at the Platteville Pioneer Museum, we are grateful for the support of our community and the many visitors who helped bring local history to life. Highlights of the year included our participation in the Harvest Daze celebration with a well-received parade float, as well as the Historical Home Tours, which offered a unique look into Platteville's rich heritage.

Looking ahead, we are excited to join the Town of Platteville's Daze of Christmas festivities. The museum will host a booth at the Community Center and sponsor a Christmas Caroling Sing-Along at the Public Library, providing opportunities for friends and neighbors to gather and celebrate the season together.

We also invite community members to share their favorite Christmas recipes and holiday memories through submissions on the museum website. These stories and traditions help preserve the history of our community for future generations, and we look forward to including them in our growing collection of local memories.
