AMBITION

We pursue excellence with intensity and a growth mindset on and off the field. Through modern and progressive methods, we approach practices, games and the future, with high expectations and a winners mentality.

COMMITMENT

Every CCFC YOUTH player, coach and team is connected through an unrelenting passion for the game.

We are dedicated to the development of both the player and the team within a professional environment.

OPPORTUNITY

CCFC YOUTH provides opportunities for players and families from all economic and cultural backgrounds. Each player is given the platform to grow and advance through new levels within the beautiful game. The individual is given the freedom to express themselves within the framework of competition and make the most of the opportunities in front of them.

FAMILY

CCFC YOUTH is a family first soccer club.
We believe in the partnership to work with our players and parents.
We're more than just a soccer club, we're family.
