Concrete Vaults

**Lonestar
Prestress**
Lonestar Prestress Mfg., Inc.

Loss Prevention

Concrete vaults are an ideal place to store valuables and records in case of a fire or extreme weather, giving you peace of mind when you are away from home.

Installation

Installation is quick and easy. LPMI Vaults are installed during the construction of your new home (or business).

Interesting Insights

Lonestar Prestress is a Texas owned and operated facility. Our product patent #6,003,271 provides incredible protection for your valuables. We offer 3 standard sizes that are available in both floorless (mounted directly to your slab) or we can ship with a floor.

- ◆ 6 x 8 x 8
- ◆ 6 x 10 x 8
- ◆ 8 x 12 x 8

LPMI vaults are engineered to meet or exceed the following:

- ◆ UL752 Level 5 : Ballistic Evaluation
- ◆ International Building Code
- ◆ American Concrete Institute
- ◆ American Society of Civil Engineers : ASCE 7

Why Wait?

LPMI makes protecting your valuable investments easy and affordable.
