Lonestar Prestress Mfg., Inc. (LPMI) was founded in 1992 as a premier prestressed concrete pole manufacturer. In 1996 we expanded our product line and began producing Easi-Set and Easi-Span precast concrete buildings.

Our new facility in Bellville, Texas has afforded us the opportunity to provide more choices and a better atmosphere for growth and development in customized precast building options.

We look forward to working with you on upcoming projects.
