WARRANTY

Lonestar Prestress Mfg., Inc. (LPMI) warrants its' precast concrete structures to be free from defects in material and/or workmanship under normal use and service for a period of ten (10) years. LPMI will repair or replace, at their option, precast concrete that has deteriorated due to such defects in material and/or workmanship. LPMI cannot and does not accept responsibility of any type for negligence or abuse, or which have been repaired or altered outside the direction of the company.

LPMI's liability under this warranty shall extend only to replacement or correction, of any product determined by inspection as not conforming to this warranty. LPMI makes no other warranties, either expressed or implied, and is not responsible for any consequential damages resulting from use by any buyer or user. The liability under this limited warranty is limited to the value of the product sold or obligation to replace a defected part.

All other components are subject to standard manufacture warranty.

In any case this warranty is extended to the original owner only and cannot be passed on to any subsequent purchasers or owners without the express written consent of a qualified representative of Lonestar Prestress Mfg., Inc.
