

Team Records - Wins & Losses

Note: The MMDBL had 3 54-game seasons -- 2 in 2020 and 1 in 2021. In 2022, the MMDBL went to 84 games, and in 2023 the league expanded to its current format of 90 games. From 2020-2022, each league was composed of 2 5-team divisions and the top 2 teams in each division made the post-season. In 2023, we collapsed the divisions, going to 2 10-team leagues, and introduced wildcards, expanding the playoff format from 4 to 6 teams. The top 2 teams in each league now earn a bye with the others playing in the Wildcard Round. Winners advance to the League Divisional Series (LDS), and LDS winners winners advance to the League Championship Series (LCS). LCS winners play in the World Series. All playoff series have been -- and will continue to be -- 7 games.
