

MMDBL Gaming Etiquette and Requirements

Attending Scheduled Games

- If there is no communication between managers beforehand, your game is expected to be played as scheduled on the Game Site (www.dynastyleaguebaseball.com).
- If you need to reschedule you are expected to send a reschedule invite to the opposing manager in the Game Site no later than 36 hours before the scheduled game (e.g., Game time is 7:15 pm CT on Wednesday, the reschedule request must be send no later than 7:15 am CT on Tuesday.)
- If something comes up and you must seek a reschedule within the 36-Hour Window, you should send an email to the group distribution list (MMBA-DLB@groups.io) **and** send a reschedule request in the Game Site. The purpose of the email is to make the Commissioner aware that there may be a scheduling issue. Note: You may also send a text or direct email or call your opponent if you have the appropriate contact information, but this would be in addition to the requirements stated above. Follow the principal: The more communication, the better.
- If you arrive at the scheduled game time and have not received a reschedule request and your opponent fails to show, you may proceed with your series against the Computer Manager **after** twice extending the start time.
- At all times, it is expected that both managers make every attempt to be reasonable in accommodating each other to complete the series in a timely fashion. Once played, a series cannot be changed or stricken.

Zoom Call Guidelines

- It is OK to express frustration but avoid excessive complaining that could be construed as ranting or bitching
- Never make it personal or pointed at another manager
- No derogatory comments
- Limit background noise or you will be muted
- Limit profanity
- Managers exhibiting destructive behavior will be muted and possibly “kicked out” of the call

Commissioner’s Discretion

- The Commissioner has the discretion to penalize a manager for repeated aberrant behavior he deems destructive to the overall enjoyment and direction of the league.
- Penalties could range from removal from Zoom calls, group email suspension, lost draft picks, or expulsion.
- We strive for the MMDBL to be a league of gamers who love and respect the game of baseball and understand the dice don’t always roll their way so we live to fight another day.
