Why Sponsor Chip In Fore A Cause

Make An Impact That Matters

Chip In Fore A Cause is a signature charity golf tournament benefiting The Point, a women-led nonprofit dedicated to supporting local women in need of support services who are facing financial and health challenges in the Lowcountry.

Why Companies Choose to Sponsor

- **Proven Community Impact**

Since 2006, The Point has contributed over \$1 million and countless volunteer hours to support local women in need. Every dollar stays local, supports life-changing programs and strengthens the Lowcountry community.

- **Brand Alignment with Purpose**

Sponsorship directly supports women's health, empowerment, and access to life-saving resources — causes that resonate with employees and customers alike.

- **High-Visibility Engagement**

Sponsors receive prominent recognition through on-course signage, event media, and post-play acknowledgements in a welcoming, community-focused setting.

- **Support Life-Saving Initiatives**

Your sponsorship helps fund programs like The Point's Mammogram Campaign, helping provide access to critical breast cancer screenings that save lives.

Chip In Fore A Cause Charity Golf Tournament

A great day of golf. A lasting impact for local women.
