PAST PERFORMANCE & EXPERIENCE

MILITARY AVIATION MAINTENANCE

USAF – ACTIVE DUTY & RESERVE COMPONENTS

Direct hands-on sourcing and accountability of aviation consumables, mil-spec hardware, structural repair materials, and flight line supplies supporting high-readiness fighter aircraft programs. Traceability and documentation expertise developed under operational conditions.

MAJOR DEFENSE ACQUISITION PROGRAM

ACAT IB PROGRAM – MAJOR DEFENSE PRIME CONTRACTOR

Program integration and operations management on a major DoD acquisition program. Managed material flow, government property accountability, DCMA interface, and constraint resolution. Deep familiarity with FAR/DFARS compliance and DoD procurement lifecycle.

FEDERAL SUPPLY OPERATIONS

VANGUARD FEDERAL LOGISTICS LLC – ACTIVE

Active SAM.gov vendor supplying TAA-compliant PPE, aviation consumables, and industrial MRO to federal agencies. SDVOSB certified. Sourcing through authorized distributors with full documentation. Focused on rapid fulfillment and zero-defect order execution.
