March 2022

Keefe Family Wines

2020 Daesee Vineyard Cabernet Sauvignon

KFW

This wine was one of few red wines able to be made from this edge of the Oak Knoll. With Smoke moving in few were willing to harvest this early. Thankfully our winemaker saw the pH exactly where we wanted it and so harvested before smoke decimated the region.

Winemaker's Note: This Wine was harvested early on August 31st to avoid smoke from California's fires. It fermented in 12 days and then was left on the skins for 12 more days before pressing and aging in 33% new American oak. After 15 months in barrel this wine was bottled; bringing a well-integrated wine that has a lighter mouth feel. With Cherry, Vanilla, and leather notes, this wine pairs well with feed young and will continue to develop over the next five years to bring way to more complex earthy characters.

“Great wine is made by not sacrificing morals at any step along the way”
