March 2022

Keefe Family Wines

2020 Red Table Wine

KFW

This wine was made from a combination of the most approachable neutral barrels from the 2020 vintage wines. It brings a Zinfandel blend character, while maintaining freshness and approachability.

Winemaker's Note: Lots of fruit and forest floor, this wine is meant to be opened and enjoyed for a casual dinner. Keefe Family Wines' 2020 Red Table Wine brings notes of raspberry, plum, tea leaves, pine needle, mushroom, and hidden red fruit. This wine will develop further over the next 2 years.

“Great wine is made by not sacrificing morals at any step along the way”
