Welcome to Very Lao Table style.

When I was young This kind of food, this kind of setup was for the whole family. This is meant to be shared for hands use. Hand to mouth is one of the things that is only shared between friend and family.

The reason I brought Lao Table to San Francisco and the bay area here is because I believe in the power of family. What I believe in life is to share and this type of food, you don't see much here in state. It's only local people as a Thai culture especially family you know, sit down, enjoy the food and have fun using your hands. You don't care who you are eating with, but you do care about is the conversation over the table. This is family.
