

STUDENT START UP KIT PRICES

To ensure a fun and safe dive experience our students are required to have the following equipment prior to their in water training. Properly fitting scuba quality equipment will ensure a comfortable, safe, and enjoyable underwater adventure. BOGO students are required to purchase these items from Hurly's as terms of the BOGO agreement. This is an idea of the range of prices in our equipment. Hurly's Wet Adventures offers the best quality scuba equipment on the market. Although you can find less expensive equipment you often get what you pay for. We strive to be the best priced in town and offer a 10% discount on most items to our students.

We stand behind our products because of the quality of the brands we choose to carry.
