DIANE'S PIANO STUDIO

JANUARY 28, 2019

HAPPY NEW YEAR!

I hope everyone has gotten off to a wonderful new year.

It has been good to get back to piano and into the second half of the piano year. The music learned for Christmas has been helpful as students have begun new pieces this month. It's good to see how the students can apply their music reading to new material.

FEBRUARY

Several students will be getting a new piano book soon. I will text you individually about the price.

We will have regular classes as usual throughout the month of February. It will be a good time for all our students to really progress. Please encourage them to practice at home.

PIANO WEBSITE

I have someone who is completely redoing my piano website. I hope to be finished with this within two weeks. Video clips from the game songs we did in the fall will be posted along

with other pictures of happenings at the studio.

PERSONAL REFLECTIONS

As I was playing the organ during church this past Sunday and then the piano for choir practice afterwards, I was thinking again of how grateful I am to my parents for giving me piano lessons.

Even if I'd never gotten a degree in music, I'm sure I would still be playing at church.

It truly makes a difference in many ways and to many people to be able to play, whether for church, school, family, or any other events.

I know it will be the same for our students. They will be able to contribute so much through their playing plus enjoy being able to make a difference.

Keep up the good work of encouraging your child to play!
