# NAVIGATOR

Navigator is an innovative, web-based K-12 education reporting software that reduces the complexity of state data reporting, analysis and management.

## ***WE HAVE THE EXPERIENCE***

Navigator has been built from the ground up, utilizing a team of subject matter experts with over 25 years of experience working with the Ohio Department of Education's Education Management System (EMIS).

Leverage our experience gained through 25 years of accurately reporting, analyzing and validating state reported data, before funding losses and/or inaccurate data appears on the Local Report Card.

## ***OUR COMPANY***

Newbridge is an Ohio-based software company that builds next-generation software applications for all types of schools in Ohio.

# WHAT WE DO

## **INNOVATE**

Navigator's software platform contains significantly more automation of manual processes and dashboard reports than any others in the K-12 education market.

## **SAVE SCHOOLS TIME AND MONEY**

Reduce the time consuming complexities of trying to follow hundreds of pages of instructions to achieve results. Navigator achieves the same results in just seconds!

## **ENABLE DATA ACCURACY AND ACCOUNTABILITY**

Navigator's dashboard reports embody the statewide training, provided by Information Technology Center's (ITC), to troubleshoot errors, analyze district and building data.

## **Nicole Marshall**

**Treasurer - Westerville City Schools**

*"It's hard to imagine anyone that has been involved with anything related to school funding would not be impressed by Navigator."*

# WE BUILT IT FOR YOU

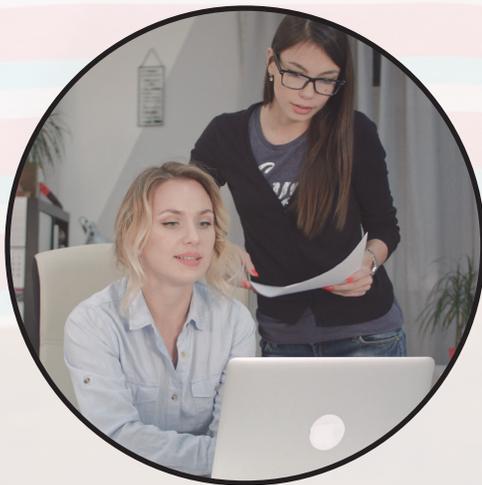

## ***SUPERINTENDENT***

**ADMINISTRATIVE OVERSIGHT.** Navigator is a true management tool to analyze Local Report Card, SFPR and EMIS data. Understand what data drives Local Report Card accountability measurers and school Funding.

## ***TREASURER / CFO***

**FISCAL RESPONSIBILITY.** Understand why district data is changing on the School Finance Payment Report (SFPR). Navigator reconciles district reported student data and aligns it with the SFPR.

Compare district data by day-to-day, week-to-week, month-to-month and even year-to-year.

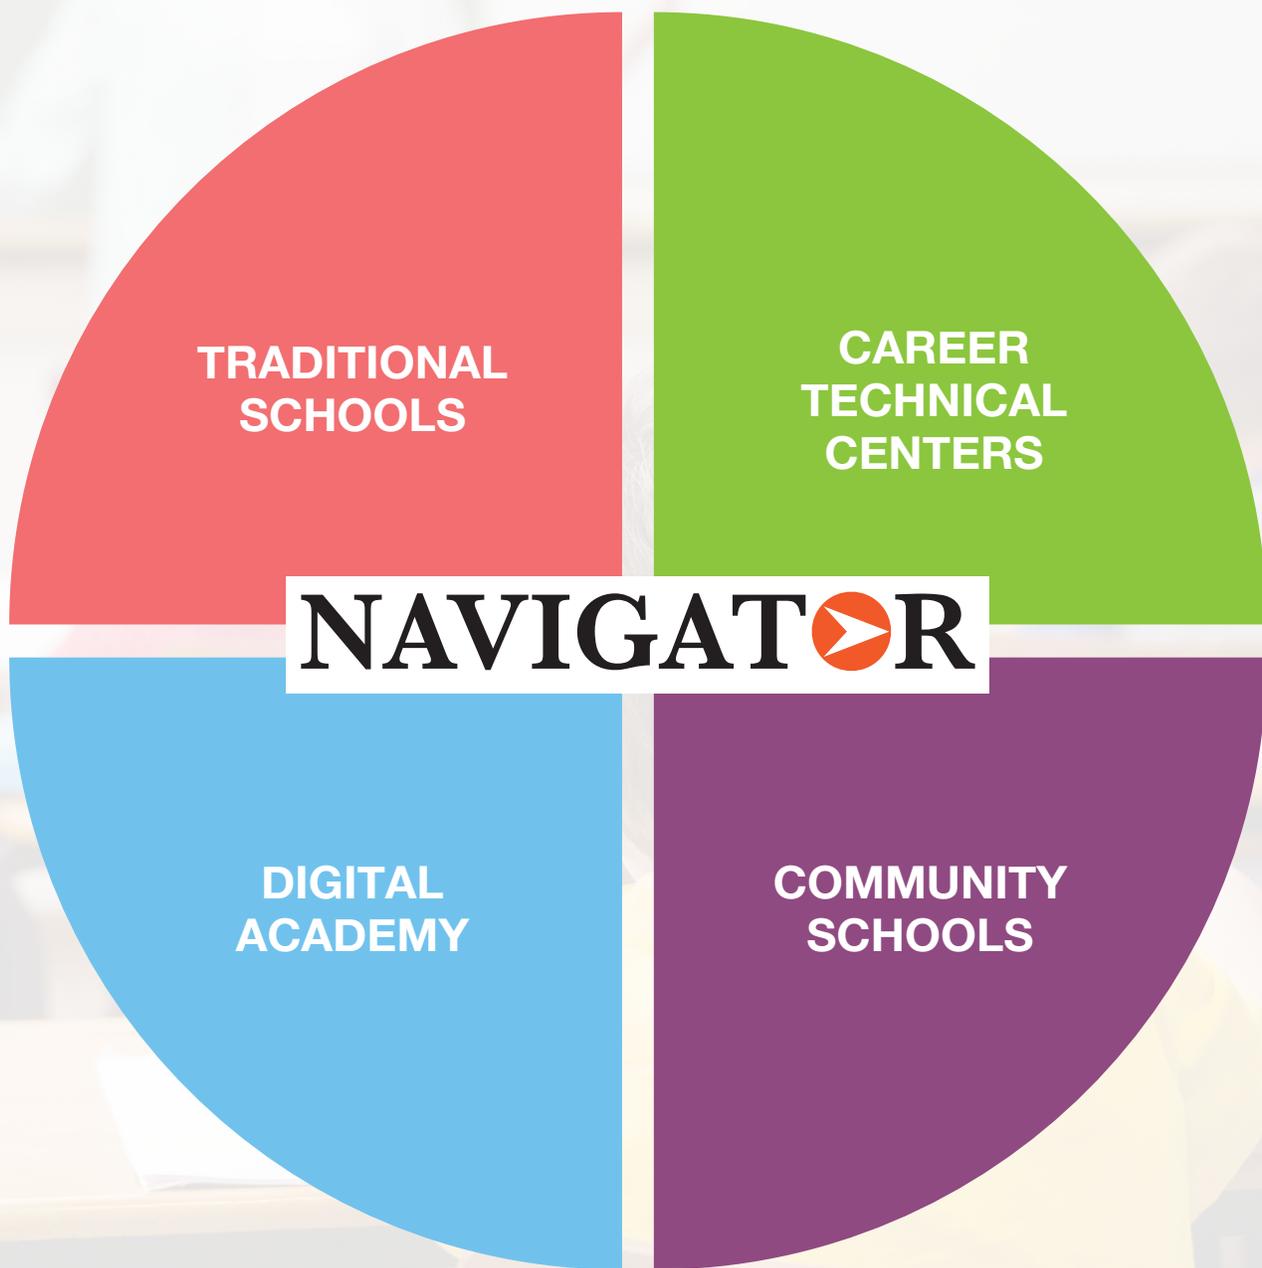

## ***EMIS COORDINATOR***

**DATA ANALYSIS.** Immediately determine where the data errors are with easily viewable reports. Easily share data across individuals, teams, departments and campuses.
