Thank you with all our hearts...

Our Families Are Grateful. So Are We.

Sometimes numbers can't really tell the story of the amazing impact that our volunteers, led by a small and dedicated staff, have on the lives of some of our most vulnerable neighbors. Numbers can't really tell the story of compassion in action. **Here is a brief, hastily scribbled note pressed into the hands of Executive Director Rev. Lisa Heilig a while back:**

To all the givers and volunteers: We really appreciate your kindness as we try to figure out where we belong and look for our next place to relocate and start our lives over. Thank you with all our hearts.

And this one: *The past year has been a struggle with rent and prescriptions and I haven't been able to keep up. I felt funny coming in for free food but from the moment I walked in the door everyone was so nice and welcoming. I had a lunch and then was able to get some nice produce, milk, bread, eggs and meat which I haven't been able to purchase in a long time. I am so very grateful for this food. I just want to say thank you for caring enough for people who need a helping hand. God bless you all.*

No, numbers can't really tell the story of compassion in action, but here's one metric that puts things into perspective: **our volunteers provide enough labor of love to form the equivalent of 8 fulltime workers...each and every week!** [Click here to hear an amazing story from one of our amazing volunteers!](#)

hungry and the homeless it takes dozens of volunteers to handle the workload each month. There would be hundreds of families going hungry without their labor of love. [Here's how you can help them.](#)

Our volunteers pack and distribute over 20,000 pounds of non-perishable AND fresh food every WEEK!

Since the Covid-19 outbreak, we have served as many people through the end of July as in ALL of 2019. The need has doubled since March. With the help of our volunteers THCA distributes 22,000 - 25,000 pounds of food- EACH WEEK! Our volunteers are working hard to meet these needs but they need your help. **So we're asking for your help during these unprecedented times. Please support our first ever annual campaign to "Stock the Pantry" to feed more hungry and homeless neighbors in 2021 by clicking the DONATE button below.**
