Sustaining Our Community... it starts with feeding the hungry.

At Toco Hills Community Alliance, the services we provide are helping to build and sustain individuals, families and communities. Food and other essential items such as clothing and personal care items are necessities for developing independence and for developing strong family structures. When individuals and families are healthy and strong, our communities can thrive and prosper.

We are reaching people and families at their point of need. Our services are providing some of the basic necessities for sustaining life; they are helping kids return to school prepared to learn; and helping to reduce individual and family stress by providing nutritional food and other essential items.

To meet the continuing demand for our services to the hungry and the homeless the Board of Directors invites you to help us build a healthy and vibrant community by making a gift to our annual campaign.

In 2020 we doubled the number of people we served by providing 896,837 pounds of healthy and fresh food to 22,232 families. Over 50% of those families had children. The need remains great so we're asking for your help because many continue to struggle during these unprecedented times. **Please support our annual campaign to feed the hungry, the homeless, and families suffering from food insecurity. You can help us keep our food pantry stocked by clicking the DONATE button below.**
