A Gift of Impact... sustaining families builds healthy communities.

It is that time of year when we start thinking about how to celebrate the holidays and what gifts we want to give the special people in our lives. One thing that the pandemic has taught many of us is how little we really need to be happy in life and the things that we have accumulated don't necessarily equate to joy. What really matters is having time with our loved ones and looking for ways to make a positive impact on our community.

During the pandemic, Toco Hills Community Alliance has served over twice as many people than before the pandemic. Recently THCA has also served new residents to our area displaced by hurricanes and the evacuation of Afghanistan. This is all done through support from community partners like you.

This year please consider giving a monetary gift to THCA in honor or in memory of someone special to you during the holiday season.

Your gift will help build a healthier community by sustaining a family in need. [Here's how!](#)

According to our nation's largest domestic food relief organization, Feeding America, 1.2 million Georgians are facing hunger. One third of those are children. And at THCA 50% of the recipients of our services through the food pantry are children in our immediate DeKalb County area. **Please support our annual campaign to feed the hungry, the homeless, and families suffering from food insecurity. You can help us keep our food pantry stocked by clicking the DONATE button below.**
