#GivingTuesday2021

One more chance to give to the annual campaign

Now that Thanksgiving is over, we have had Black Friday, Small Business Saturday, and Cyber Monday, and now we come to **Giving Tuesday**. After the consumption of those days, Giving Tuesday is an opportunity for people around the world to unite in giving to support communities and causes. It is a celebration of generosity!

As supporters of Toco Hills Community Alliance, you all know about generosity, as your generosity is what makes it possible for us to share food and clothes, hope and compassion, and to sustain our neighborhood. Thanks to your support of our Annual Campaign, we are more than half way to our goal of \$25,000 in funds raised!

If you have not had a chance to give to our Annual Campaign yet, here is an invitation to do so. You can give this page [here](#). Also on that page, you have an opportunity to choose to dedicate a donation In Memory or In Honor of someone, or to become a sustaining donor through the 100 for \$100 program.

giving to another worthy cause on this Giving Tuesday to participate in the world wide celebration of generosity. With all of us working together, we can and will support and sustain our community and make a positive impact in the world.

As we look to celebrate this holiday season in the Northern hemisphere, the days are shorter and the nights longer. Jewish friends and neighbors begin the celebration of Hanukkah, the Festival of Lights, and light the menorah; and many Christian friends and neighbors begin the celebration of the Advent season leading to Christmas, and light the Advent wreath. It is a time for all of us to remember that, as Buddha said, the light of a candle is not diminished by being shared. When we each share our flame, the gloom of the world is dispelled, and the night becomes bright. That is what generosity is about and what we celebrate on Giving Tuesday.

The news is full of reports about the rising cost of food, housing, gasoline, and utilities. It is impacting everyone regardless of family income level. And it is creating even more uncertainty among the most vulnerable in our community.

Please support our annual campaign to feed the hungry, the homeless, and families suffering from food insecurity. You can help us keep our food pantry stocked by clicking the DONATE button below.
