**We couldn't serve nearly 400 families each week
WITHOUT our volunteers.**

***Stephanie Byrne is an active board member AND a weekly volunteer.
Here's what she has to say about the value of THCA:***

"Toco Hills Community Alliance is a very approachable and effective ministry. It is both highly efficient in its mission to serve food to its community neighbors in need and in its capacity to enable its volunteers to have the greatest impact in the time and financial resources that they are able to give.

Volunteers know that whatever time they can give to THCA it will be time well spent. There are set hours of operation during the week in which you can get into a routine of serving. There are many ways that one can serve, from working with our clients directly to sorting food donations to making lunch in the kitchen.

Volunteers can choose their hours to fit their availability. Everyone that

Those that can give financially can know that THCA is a highly efficient organization. There is very little overhead which enables each dollar given to feed many mouths.

THCA is a dedicated ministry to our needy and homeless neighbors. It is an organization that is abundant in the Holy Spirit. I hope this will inspire you or someone you know to either begin or deepen your relationship with our mission here at THCA."

To meet the continuing demand for our services to the hungry and the homeless the Board of Directors invites you to help us help our neighbors by becoming a Sustaining Donor.

Your monthly support as a Sustaining Donor will really help us as we prepare to meet the growing needs of the hungry and the homeless in north DeKalb.
