## Dear Supporter of Toco Hills Community Alliance,

As the dog days of summer are on us, as the heat and humidity press down so that both afternoon sun and storm seem to oppress, services continue here at Toco Hills Community Alliance (THCA) through it all, because the need continues. Our neighbors continue to need food, clothes, affirmation, and community, and they are looking for a miracle to help supply their needs.

**You are the miracle for those we serve!**

**You all have made a great difference to all of us here at THCA and to all the people we serve all throughout the COVID crisis, and continue**

those in need of clothes have received them, and our unhoused friends have been provided hot meals to go.

With the dog days upon us and feeling a little freer, many of us have been able to get out more and even vacation. As you do so, know that your support, wherever you may be, is still needed. You still have an opportunity to keep caring and making a difference, to be a miracle for someone who needs one.

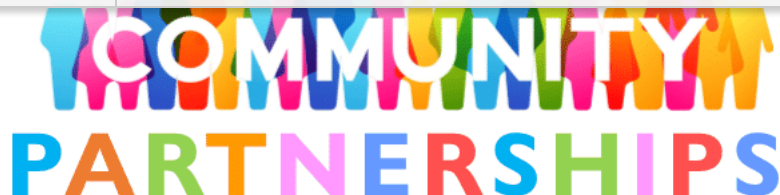

In addition to donating money, food, and supplies, as our volunteers are now taking their vacations, we have openings for new volunteers. Whether you want to just help fill in for the summer, are looking for something more long term, if you are fully vaccinated, able to stand and move and withstand weather changes, willing to abide by all safety protocols, and 16 or above (or 14-15 with your guardian), email [volunteer@tcohillsalliance.org](mailto:volunteer@tcohillsalliance.org) for more information.

Thank you all for your continued care and support. Coming together, from all walks of life, we are making a positive difference in the lives of those we serve and in our neighborhood; you are the miracle!

In Gratitude,

Rev. Dr. Lisa Heilig, Executive Director

# COMMUNITY PARTNERSHIPS

In order to thank our faith community partners, formal and informal, we met together on Friday, July 16. Because of the love and support of our partners, we were able to step up to meet every challenge COVID 19 put in our way. Even in the midst of their own challenges due to COVID, our faith community partners collected and donated food, hygiene items, and supplies, sent us volunteers, participated in the Hunger Walk, and continued to lift us up to their congregations.

**Huge thanks to our member congregations:**

**Central Congregational United Church of Christ**

**Clairmont Presbyterian Church**

**Hope Xpress Community Church**

**Intown Community Church**

**Oak Grove United Methodist Church**

**Spiritual Living Center of Atlanta**

**St. Bartholomew's Episcopal Church**

**And to our informal partners:**

**Annunciation Greek Orthodox Cathedral**

**Bridgepoint Church**

**Congregation Bet Haverim**

**Congregation Ohr HaTorah**

**Decatur City Church**

**Peachtree Baptist Church**

**Saint Martin Lutheran Church**
