Dear Toco Hills Community Alliance Supporters,

We have so many good things happening at THCA!

- Thanks to an anonymous donor who made up the shortfall, we did meet our Hunger Walk goal and do not have to consider any cuts to service at this time!
- We will be receiving 1,000 pairs of socks as a gift from the Bombas sock company!
- We are getting new signage to help people
- We received a grant for a new convection oven to replace the one we have that is quite old!

- We received another grant to replace the floor throughout the entire building!

Because of these generous grants and gifts, we are also going to replace the dangerous metal shelving with new rolling metal shelving. And before we put in the new flooring, we will paint the inside of the building. All of this work will help us to make as safe, welcoming, and hospitable space for those we serve, as well as our volunteers.

You can be a part of these exciting changes to enhance Toco Hills Community Alliance!

- \$90 will buy one metal shelf. We need 28 shelves at a minimum and 35 at a maximum \$2,520 - 3,150 is needed to fund this.
- \$100 will pay for materials to paint one room. We need to raise \$2500 just for the materials.
- Offer your time to prepare and/or paint the rooms. This can even be a group project done on a weekend.

We really need to have the funding and labor all in place in the next 30 days. Our building really needs this face lift and we are almost there. Your money and time will help us make THCA a more inviting and pleasant place to volunteer and for our clients to get their services.

Go to www.Tocohillsalliance.org and donate with a memo about paint or shelving, mail a check with paint or shelving in the memo line to Toco Hills Community Alliance, 1790 Lavista Road, NE, Atlanta, GA 30329 or bring your donation to us and have lunch with us from 1-2:30 Tues, Wed or Thurs. And, please, email me at lisa@tocohillsalliance.org if you are willing to volunteer your time to help with these projects

Thank you all for the help and support you always provide. We do make a difference for thousands of our neighbors.

In Gratitude,

Rev. Dr. Lisa Heilig,
Executive Director
