**And after:**

**It has been an amazing transformation that has not been without some challenges. It has all been worth it, though, to hear comments from those we serve like the woman last week who said that she was so touched by how beautiful it all is, that it made her feel even more eager to come to THCA!**

Huge thanks to Board President Lynn for

**This is an exciting time in the life of Toco Hills Community Alliance. After more than 20 years in existence, having grown to be in the top 10% of food pantries in the state, and now, with our physical environment enhanced, THCA is poised to move to the next level. In order to do that, we need to upgrade our infrastructure for the 21st**

**century, increase paid staff, as well as provide benefits. Currently, we are meeting food budget and basic operating needs. To take it to the next level, to serve more of our neighbors in need more effectively, we need your help!**

**If 100 of our supporters pledged and paid \$100 a month, we would be well-resourced enough to achieve our goals in taking it to the next level! We already have 3 Next Level givers. If you want to be part of this exciting next part of the journey with THCA, here is a [link](#) to the campaign site. Thank you!**
