**Huge thanks to supporters of Toco Hills Community Alliance, who continue to amaze us with generosity!**

Dearest Community,

As we face the unprecedented crisis of COVID 19, we are so grateful that you all in our community have been supporting us as we continue to be Neighbors Helping Neighbors in a time when there are so many in need.

So many of you have stepped up with funding and food that are enabling us to respond, even as we are being called upon to step up to be there for the many who are struggling right now with even basic needs. We appreciate it so much.

We are and will continue to be open. We have necessarily had to implement some significant changes in how we operate so that we can distribute food as safely as possible.

volunteers, with prep-packed groceries distributed from the side door as people drive through or walk through. We are not serving hot lunch and the clothing closet is closed.

All volunteers wash their hands immediately upon reporting for duty, have their temperatures taken, and are required to wear gloves. All surfaces are disinfected several times daily. We are all keeping physical distance and washing our hands many, many times throughout the day. These are just a few of the changes we have incorporated and every day, we are adjusting so as to keep up with latest CDC and WHO guidelines.

Because we are providing food services to those in need, we are considered an essential service by Dekalb county, Georgia Emergency Management Agency, and the US Department of Homeland Security, so as long as we have food and volunteers (but less than 10 volunteers at a time!), we will be distributing food because the need is great. And it is easier to keep going because we have your support!

Below are some specific ways you can support us.

**THANK YOU!**

In Gratitude,

**Rev. Dr. Lisa Heilig,  
Executive Director**

# HUNGER WALK RUN

**EVENT IS  
CANCELED**

Unfortunately, the Hunger Walk Run was cancelled this year. Fortunately, any funds received until April 1 will count toward our total for this year. Because we had to shift our sole focus to responding to the COVID 19 crisis, we have fallen a bit short.

Please consider helping us to get closer to our goal by donating to [Team THCA](#), which will give us funding to cover our food cost for the year, in order to feed the 30,000 people we will serve.

We are finding our needs changing a bit from week to week, but a few things that would be really helpful to have more of would be:

- Shelf stable milk
- Peanut butter and jelly
- Canned meats/tuna
- Canned fruit
- Bottled water

We could also use some additional supplies, such as:

- Hand sanitizer
- Lysol spray
- Quart and Gallons size baggies

And, while we have concentrated efforts on food distribution, we will begin distribution of hygiene supplies again and will need:

- Razors and shaving cream
- Deodorant
- Shampoo and conditioner
- Lotion

We take donations Monday through Friday from 9am to noon, and other times by appointment via emailing us at [info@toco hillsalliance.org](mailto:info@toco hillsalliance.org).
