## Dear Supporter of Toco Hills Community Alliance,

Even though it was extremely hot on both July 28 and August 18, we here at Toco Hills Community Alliance are so pleased that we were able to work with so many community partners to host a drive through vaccination clinic on those days. Huge thanks to Emory Healthcare, Emory School of Nursing, Candler School of Theology, Peachtree Baptist Church, Emory Office of Spiritual and Religious Life, Interfaith Youth Core, and St. Bartholomew's Episcopal Church, 73 people got vaccinations on those days!

Truly, these events were the epitome of our living out our value of being "Neighbors Helping Neighbors" as each community group contributed, and we all worked together to improve health outcomes for those in our neighborhood in need of vaccination.

And we are so honored to be able to work with so many groups across the community. For example, as school comes back in to session, we will have 4 Emory Medical School students working with us for their service learning and 8 Candler School of Theology students interning with us for the year. Our neighborhood associations around us continue to be of great support. Whole workplaces and businesses have and are working with us.

What we do, even our day-to-day services outside of special events, is only made possible by all of us working together. Providing food and clothes, sharing hope and compassion, creating community, only happens as a result of working together - community groups, individuals, volunteers, Board, staff.

Because of the work you do and support you give, we are making sure children are able to learn better because their stomachs are full, seniors and disabled veterans do not have to choose between medicine and food, and unhoused people have a chance to get a hot meal and clean socks.

There really are not enough words to thank you for your support and for how all of you are working together, but THANK YOU.

In Gratitude,

Rev. Dr. Lisa Heilig, Executive Director

**We always need more community partnerships, formal and informal. Formal partners are those who make a significant financial pledge as well as provide other support and with whom we have an agreement. Informal partners are those who provide consistent support in various forms. Formal partners have a seat on our Board of Directors.**

**The opportunities abound: food and supply drives, financial support, volunteers, service days, and other possibilities. If you are part of a group that would like to be involved in working together as an ongoing part of Toco Hills Community Alliance, please email our Executive Director at [lisa@toco hillsalliance.org](mailto:lisa@toco hillsalliance.org). She is also available to speak virtually to groups who may be interested.**

**AND - know that individual support is also essential. It takes all of us, working together, from whatever walk of life we come from, to provide the services we provide, to share food and compassion.**
