About LMG

Lindsay, or "LMG", is a learning engineer with a contagious passion for equity and justice. She has been in the Learning & Development space for over 13 years, certified in a variety of facilitative practices including virtual spaces, FranklinCovey courses, Culture assessing, and Diversity-to-Belonging. LMG is also a Qualified Administrator of the Intercultural Development Inventory and Predictive Index Analyst, both used globally.

LMG is most known for developing purposeful and meaningful connections with others through empathy; meeting folks where they are on their journey and helping them uncover the inclusive behaviors that we humans have innately.

LMG is currently open to contract work regarding learning and talent development for organizations and coaching for individuals.
