Grace

In all its forms. It's not just about a meal. The Grace from God is his acceptance of you as his child. And he allows you to make mistakes. It's a learning process. You can reflect on your past, learn from your past. Your mission is to go on to look for guidance on what you can do knowing that you are forgiven.

May God's love, grace and peace be with you.

Bill's Corner

“AS THE WORLD TURNS”. A popular TV show that most women and some men watch, but geographically is creating a dangerous situation for mankind. Why is everyone in the world watching one man when their responsibilities lie elsewhere? Pied pipers and illusions are dangerous because they have no flaws. The Constitution is law and it is not wrong. It is questionable in some things because of a time difference and should be addressed accordingly. History will tell if there was a blithering idiot or a great statesman that led us, and even then, as known, opinions will vary. Government officials must remember, they didn't swear an oath to their boss or to the President. They swore an oath to the people that elected them on the Bible. And there is only one person to answer to for that. We can only hope that the people in charge will remember that, and think, work, and listen with good judgement to the people they are responsible for. The weather is hot and sticky and the ideal situation is in the shade, a good ball game to watch, the BBQ ready to go, maybe a pool, and a cold drink. Whatever happened to Kool Aid? Baseball is pretty good so far. Only the Orioles are still flying the other way. The Club has a new BBQ grill and we hope to put on some BBQ's soon. It's always cool and relaxing there, so if you're under the weather, come on down. There's always someone who can make you smile. A man, his wife, and his mother-in-law were vacationing in Jerusalem when the mother-in-law died. The undertaker told them, “You can ship the body home for \$5000 or have her buried in the Holy Land for \$150”. The man thought about it and told him to have her shipped home. “Why do that?” asked the undertaker. “It would be wonderful to be buried here and it would only cost you \$150.” The man replied, “Long ago a man died here, was buried here, and three days later he rose from the dead. I just can't take the chance.” The next members meeting is the third Wednesday in September. Please plan to attend as it is nominations month for all officers except President and Vice President, and 3 Board of Governors. Your club is active and running. You are the fuel to make it do that. Don't be afraid to participate. Something to ponder: Old is good in some things: Old songs, old movies, old memories, and best of all, old friends. Stay well old friends and until next time happy holidays, have a good month and have a good life.
