# INSURANCE GUIDELINES/DISCLAIMERS AND FINANCIAL POLICY

Our goal is to deliver high-quality dental services in a healthy and happy environment at a fair price. We provide our services with honesty and integrity, In return, we expect the same from those we serve.

Patients are responsible for paying the balance in full regardless of the insurance company's determination of benefits or estimated payments. Furthermore, we are contractually obligated to collect any copay and deductible as specified by the insurance company. Therefore, we do require payment for the estimated portion and any applicable deductible at the time of service.

As a service to our patients, we submit dental claims to the insurance company on their behalf for payments. However, if the insurance company does not pay the estimated amount for any reason then it becomes the patient's responsibility. Please monitor your insurance payments. For every submitted claim, your insurance company should provide you with an Explanation of Benefit (EOB). If you have questions about the EOB, you may need to contact your insurance company directly.

We sincerely appreciate your business and we strive to provide you with the best overall experience.Your understanding and support of the insurance guidelines/disclaimers and financial policy is essential to our ability to deliver the best possible care.

**I understand and agree to the above financial policy regarding payments and insurance obligations.**
