

# THE MINDFULLY RICH

## 6-STEP PROVEN GUIDANCE COACHING FRAMEWORK

1ST

### DEFINE

Here, we'll discuss the struggle(s) you're facing with your credit or debt and define the results you seek. From there, we'll set goals and discuss mindset realignments and specific results possible to achieve for your specific situation.

2ND

### DEVELOP

At this step, we'll develop a comprehensive plan with optional courses of action to help you achieve the results you seek.

3RD

### ANALYZE

At this step, we'll review the developed comprehensive plan, review recommendations, decide which route you'd like to take to improve the financial area(s) you're seeking to elevate, and then explore and decide on your next action steps.

4TH

### EXECUTE

At this coaching step, we'll review outcomes from the action steps taken from your comprehensive plan and any questions or concerns you might have.

5TH

### EVALUATE

At this step, we'll look over your progress and then discuss your achievements and or obstacles preventing you from the outcomes we've set in your comprehensive plan.

6TH

### FOLLOW-UP

We'll have multiple follow-ups (s) throughout our time together to discuss any questions or concerns about moving forward with your action plan and to ensure you have the accountability you need to reach your financial goals!
