September/October 2018

President's Pitch

Greetings from Crabtree,

Well another State Tournament is in the record books. Congratulations to all class winners, In fact congratulations to all who pitched in the state tournament. You showed up on time, you moved the game along. This kept the tournament on track.

I could use three or four ink pens trying to thank everyone for their help at the state, you know who you are. One person I would like to single out is Tammy Ryan she sat at the scorekeepers table from the first pitch till the lights went out, paying scorekeepers, selling 50/50 tickets and raffle tickets. Thanks Tammy!

I would like to welcome Don Goers to the ILSHPA executive council Don has accepted the position of Publicity Director. Now that the state tournament is over that doesn't mean that horseshoes done for the year there are still tournaments around. Indoor tournaments will be starting soon. Keep your arm in shape.

Well I have talked long enough. Good pitching to everyone and have fun while doing so.

See Ya On The Courts

Mike

Message From 3rd Vice President

With another State Tournament in the books the tournament went off without a hitch, I couldn't have asked my officers of the ILSHPA enough for all their efforts. I want to congratulate all of the State Champions as well as the Class Winners job well done. With that being said this was my wife Tiffany's first state tournament as the Secretary/Treasurer of the association and I thought she did a fantastic job. All the behind the scenes work that goes into this tournament is mostly done by her and I could not thank her enough for all the work that she put into this tournament. And when the tournament started she was there to input stats when I needed her too along with all the other jobs that were needed. Job well done Honey. I would be amiss if I did not thank 3 other people as for as helping run the tournament go and the reason why I am singling these 3 other people out is because they are not officers in the ILSHPA but they love the sport of horseshoe and our association. Those 3 people are Tammy Ryan , Tim Ryan and Larry Thomason, for those of you who don't know Tammy Ryan was the nice lady sitting at the scorekeepers table collecting all the score sheets and making sure they were all in the correct order and paying the scorekeepers their money. This lady was a absolutely tremendous help and I do not believe the stats would have got put in as quick as they did if it was not for her. On top of doing that she was also going around and selling 50/50 tickets and raffle tickets UNBELIVEABLE!!!!. Tammy you definitely went above and beyond once again thank you. The next person is Larry Thomason when Larry sent his entry form in he put on there that he would be more than willing to help input stats into HS Master and I definitely took him up on the offer Larry once again thank you for do that it was definitely a big help as well.

When Hosting a State Tournament a lot of effort goes into the host clubs efforts on making sure everything is ready for the ILSHPA to use the courts for the state tournament. With that being said we had a real good group of guys that made sure the courts in Springfield were up to the standards that they should be for the state tournament. Their efforts are absolutely appreciated and the courts would not have looked like they did if it was not for these guys Lee Watkins , Mike Knop, Tom McCloskey , and Bill Winchester these four guys along with a few others I am sure I am going to forget put in a lot of hours at the courts the ILSHPA and myself can not thank you enough.

On last note and then I will stop talking. I really want everyone to think about any topics that they might want to be brought up the State Meeting next year at the State Tournament and I am telling you right now so it does not come as a shock. The first day of pitching on Saturday of the tournament will be a little longer than normal because we are going to have this meeting at the tournament. But I truly believe that this is the best situation for the association. I have looked into several different states and most of them have their state meeting at the State Tournament.

Thanks for all of your patient this year and I look forward to seeing you all in Casey next year.
