

EAS Solutions - Labels and Tags

Soft Labels

Checkpoint's Radio Frequency labels are easy to apply, either in-store or at source, easy to detect when passed between EAS Antennas, and can be easily deactivated with Checkpoint's top-of-the-line deactivation solutions at the point of sale.

Examples:

410 EP Label Series

1.57" x 1.57" (40mm x 40mm)

Plain, Barcode, PSG, Thermal Transfer
