

Mani,
What can I say? Lady, you are awesome!!!

You are such a warm & caring spirit. I definitely
^{ops} enjoyed working with you on such a major
decision/purchase. Thanks for reminding me that
my dreams can come true. Thanks for sharing &
enlightening us re: Indian culture. It was great
working with someone whom I liked & trusted.
Please keep in touch and of course we wish you much continued
success in both your personal & professional life.

THANK
you!!!

Thanks for everything.

Love,

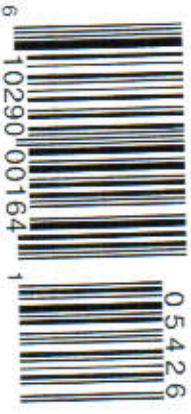

Sony - 'Izzy
