

WHAT TO BRING FOR COLD-WEATHER CAMPING

Remember, dress in layers so you can control your body temperature. Try to avoid any fabric type that is highly absorbent, like cotton. Once these fabrics are wet, they are very difficult to get dry. Wet clothes can be dangerous in cold or windy weather.

PERSONAL ITEMS

- Backpack / Duffle Bag
- Sleeping bag
- Fleece blanket to put under, or inside your sleeping bag
- Insulated air mattress
- Pillow
- Comfortable walking boots
- Wool socks (3 Pair)
- Long underwear
