Owner shall include the purchaser of a Parcel under an executory contract for purchase. The foregoing definition does not include persons or entities that hold an interest in any Parcel as security for the performance of an obligation.

F. "Parcel" or "Parcels" means the Parcels as shown on the Result of Survey, individually or collectively, as the case may be and any divisions thereof as allowed by law.

G. "Property" means the real Property described in the Result of Survey or any part thereof.

3. PROPERTY OWNERS ASSOCIATION

A. There is hereby created the Sierra Highlands Ranch Property Owners Association. The purpose of the Association is to maintain and improve the roadways, along with gates, fences, and culverts involving such roadways and any common areas, so designated by Declarant as an Association function, all in accordance with the provisions of this Declaration.

B. Each and every Parcel Owner, in accepting a deed or contract for any Parcel, whether or not it shall be so expressed in such deed or contract, automatically becomes a member of the Association, and agrees to be bound by such reasonable rules and regulations as may, from time to time, be established by the Association. Membership shall be appurtenant and may not be separated from ownership of the Parcel.

The rights and obligations of an Owner and membership in the Association shall not be assigned, transferred, pledged, conveyed or alienated in any way, except upon transfer of ownership of such Parcel, whether by intestate succession, testamentary disposition, foreclosure of a mortgage, or such other legal processes as now in effect or as may be hereafter established pursuant to the laws of the State of Arizona. The Association shall be operated and conducted on a strictly cooperative and non-profit basis. Each Parcel Owner as a member shall have such voting rights as set forth in this Declaration.

C. In furtherance of its purposes which are generally as set forth above, the Association shall provide necessary and appropriate action for the maintenance, repair, replacement and management of the facilities referred to in 3 A above and shall have the right to enter upon a Parcel, if reasonably necessary, in order to accomplish its purpose.

D. The Association shall have the power to borrow and encumber its assets and, in all respects, shall have the powers necessary to carry out its purposes, whether or not specifically set forth herein, including the power to enter into contracts with third parties to perform all or part of its functions, and to hire its own employees to do so. The Association shall have the power to obtain appropriate insurance, to create reserves, and to issue rules and regulations.

E. Each Parcel Owner is obligated to pay: (i) regular assessments for normal maintenance and repair and reserves, along with Association insurance and operating costs; (ii) special assessments for capital improvements with such assessments to be established by the Association. The regular and any special assessments, late payment penalties and charges, if any, together with interest, (all as set by the Association) costs and reasonable attorneys' fees, shall be a lien on the Parcel. Each Parcel Owner shall be personally responsible for his or her share of assessments imposed by the Association. This personal obligation for assessments shall not pass to the Owner's successor in title, unless expressly assumed by such successor; however, the obligation to pay same shall be a continuing lien on the Parcel, excepting for the provisions of Paragraph 3 L below, relating to mortgagees.

F. The Association, acting through its duly elected Board of Directors, shall make a determination and set on an annual basis of the estimated costs of the repair and maintenance of roadways and any other designated common areas as shown on the Result of Survey or otherwise so designated, including any reserves necessary for future capital expenditures and maintenance. Assessments shall be charged to each Owner on a per acre basis, as provided for in Paragraph G below. The assessments may be collected on a monthly, quarterly, or annual basis, or any combination of same as determined by the Association. The Association, acting through its duly elected Board of Directors, shall prepare an annual budget, and also an annual accounting of monies received and disbursed.

G. Each Owner shall be responsible to pay the regular assessment commencing on the first day of the month following the date of recordation of the deed or

purchase contract wherein the Owner acquired legal, beneficial, or equitable title to the Parcel. The Declarant shall not be responsible for comparable assessments on each Parcel owned by it. However, Declarant shall be responsible to provide labor, material and/or monies in sufficient amounts, not to exceed the amount of the normal Parcel assessment for each Parcel owned by it, if necessary in Declarant's opinion, to properly fulfill the Association's maintenance responsibilities. Regular assessments shall be set by the duly elected Board of Directors of the Association on behalf of the Association on an annual calendar year basis. The initial regular assessment per Parcel shall be: Parcels under 50 acres in size \$200 per year; Parcels 50 acres thru 99 acres in size \$240 per year; Parcels of 100 acres in size or larger \$280 per year. Any division of an original Parcel shall be a separate Parcel subject to a separate assessment based on above. The Parcel Owner acquiring his or her interest from Declarant during the calendar year shall be obligated for a pro rata portion thereof. The Association shall fix the amount of the regular assessment at least thirty (30) days prior to the end of the calendar year. Written notice of the assessment shall be sent to every Owner. The payment due date shall be established by the Association.

H. In addition to the regular assessment as set forth above, the Association, acting through its duly elected Board of Directors, may set special assessments if the Association determines by two third's vote that such is necessary to meet the primary purposes of the Association. Any special assessments shall be charged on the same basis per Parcel as regular assessments.

I. All sums assessed by the Association chargeable to a Parcel, but unpaid shall constitute a lien on such Parcel prior to all other liens excepting only *ad valorem* liens in favor of a governmental assessing unit or special assessment district. The Association lien may be foreclosed by the Association in a like manner as foreclosure of a real property deed of trust or mortgage. The Association shall have the power to bid on the delinquent Parcel at a foreclosure sale, and acquire, hold, lease, encumber and convey same. A suit to recover a money judgment for unpaid assessments and charges shall be maintainable by the Association without foreclosing or waiving the lien securing same.

J. The total number of votes in the Association shall be on the basis of one (1) vote per Parcel. Provided, the Declarant shall have nine (9) votes for each Parcel it owns. Any Parcel which is legally further divided shall, upon any such division, be entitled to one (1) vote for each such new Parcel, and shall be subject to a separate comparable per acre assessment for each division. The total number of Parcels and therefore the total number of votes may also be increased from time to time by expansion, pursuant to Section 4, of the project as evidenced by a Supplemental Declaration, incorporating this Declaration, executed and recorded by Declarant or its designee. Unless otherwise specifically provided herein, all Association matters shall be determined by a majority vote. If more than one party is the Owner of a Parcel, there must be unanimous agreement among those who own an interest in the Parcel as to how to cast that Parcel's vote, otherwise, that vote shall not be counted.

K. The Association shall have the power to adopt Bylaws and to appoint its officers and directors, as well as promulgate reasonable regulations relating to the matters within its purpose.

L. Where the holder of a first mortgage of record, including Declarant, obtains title to the Parcel as a result of foreclosure, or deed in lieu of foreclosure, of said first mortgage, such acquirer of title, its successors and assigns, shall not be liable for the share of the expenses of the assessments by the Association chargeable to such Parcel which became due prior to the acquisition of title to such Parcel by such acquirer. As used in this Declaration, the term "mortgage" shall include "deed of trust" and "agreement for sale" and "mortgage" shall include the "Beneficiary" under a deed of trust and "vendor" under an agreement for sale. Such acquirer shall be responsible, as any Owner, for assessments charged subsequent to the acquisition; provided, however that if Developer obtains title to the Parcel as a result of such a foreclosure or deed in lieu of foreclosure, the provisions of Section 3(B) above shall apply and Declarant shall not be responsible for any such assessments. Similarly, if title to any Parcel is reconveyed by Trustee to First Beneficiary by Forfeiture or otherwise under the aforesaid Trust No.8648, First Beneficiary shall not be liable for the share of the expenses of the assessments by the Association chargeable to such Parcel which become due prior to or after the acquisition of title to such Parcel by First Beneficiary.

M. In the event the Association determines that any Parcel Owner has not complied with the provisions of this Declaration, then the Association may, at its option, give written notice to the Owner of the conditions complained of. The Owner shall correct same or, if not readily correctable within fifteen (15) days after notice from the Association, the Owner shall submit corrective plans proposing its remedy to the condition complained of within fifteen days after notice from the Association. The Association shall approve or disapprove any plans submitted by the Owner and set forth a reasonable time for correction of the condition complained of. In the event such condition is not corrected according to the approved plans, within the allotted time, the Association shall have the right to undertake to remedy such condition or violation complained of. The cost thereof shall be deemed to be an assessment to such Owner and enforceable by the Association as if any other unpaid assessment.

4. EXPANSION

Declarant, its successors and designees reserve the right to comparably develop adjacent lands within the Sierra Highlands Ranch. Any such expansion to be included within this Declaration shall be subject to the terms and conditions of this Declaration, but may include reasonable variances.

In that event, fencing or a structure may be constructed on the common easement with the written approval of the Declarant or its successors or designee. Approval shall be conditioned upon the Parcel owner's agreement to provide access to the subject easement whenever requested by utility companies. Declarant excepts and reserves to itself an easement, personal and in gross, to Declarant for public and private ingress and egress and public utilities up to a 30-foot strip around the perimeter of the above described real property and over all roads and trails existing. If Owner elects to change or alter any roads running through Owner's property, and if Owner is legally entitled to do so (Declarant makes no representation as to such legal right), Owner shall at Owner's expense construct a road around the perimeter of Owner's property which is suitable for conventional vehicles to provide for a continuous flow of traffic for public and private ingress and egress.
