ABOUT US

A LEADER IN DIETARY SUPPLEMENTS AND NUTRACEUTICAL PRODUCTS

Raskam Healthcare Private limited was established in 2015 and India's leading manufacturer of nutraceuticals supplements. Our years of experience and reputation allows us to deliver the best nutraceutical product supply with the highest standard of service in the industry. We have evolved a culture in which great emphasis is placed on quality control, human capital, innovation, integrity and social responsibility. Even if you are a keen startup company and want to grow with the expanding healthcare market, we are confident that every one of us here at Raskam Healthcare Pvt. Ltd. will add depth and a competitive edge to your project.

WHAT ARE NUTRACEUTICAL SUPPLEMENTS?

- Nutraceuticals (also called health supplements) are specially processed or formulated foods designed to satisfy particular dietary requirements and/or provide medicinal or health benefits.
- They generally contain extracts from plant & animal sources, minerals, vitamins and dietary substances either discretely or in various combinations designed to meet a specific health requirement or augment nutritional intake.

COMPETITIVE PRICES

Our proven supplement manufacturing processes allow us to keep our costs down and our prices to a minimum. If you are looking for a food supplement company to produce your food supplement capsules or nutraceutical products at very competitive prices you can contact us.

ONE STOP SOLUTION

Save time and money with our all-in-one contract manufacturing, packaging and labelling services. We strive to be the complete nutraceutical solution for your entire private label, contract and control label needs. We work with your label as a team, manufacturing to your requirements through our widely respected client-centric approach to production.

WHY CHOOSE RASKAM HEALTHCARE FOR CONTRACT MANUFACTURING?
