Policy on the Management of Communicable Diseases

If a child exhibits any of the following symptoms, the child should not attend the center. If such symptoms occur at the center, the child will be removed from the group, and parents will be called to take the child home.

- Severe pain or discomfort
- Acute diarrhea
- Episodes of acute vomiting
- Elevated oral temperature of 101.5 degrees Fahrenheit
- Lethargy
- Severe coughing
- Yellow eyes or jaundiced skin
- Red eyes with discharge
- Infected, untreated skin patches
- Difficult or rapid breathing
- Skin rashes in conjunction with fever or behavior changes
- Skin lesions that are weeping or bleeding
- Mouth sores with drooling
- Stiff neck

Once the child is symptom-free, or has a health care provider's note stating that the child no longer poses a serious health risk to himself/herself or others, the child may return to the center unless contraindicated by the local health department or Department of Health.

EXCLUDABLE COMMUNICABLE DISEASES

A child or staff member who contracts an excludable communicable disease may not return to the center without a health care provider's note stating that the child presents no risk to himself/herself or others.

Note: If a child has chicken pox, a note from the parent stating that all sores have dried and crusted is required.

If a child is exposed to any excludable disease at the center, parents will be notified in writing.

COMMUNICABLE DISEASE REPORTING GUIDELINES

Some excludable communicable diseases must be reported to the health department by the center. The Department of Health's Reporting Requirements for Communicable Diseases and Work-Related Conditions Quick Reference Guide, a complete list of reportable excludable communicable diseases, can be found at:

http://www.nj.gov/health/cd/documents/reportable_disease_magnet.pdf

COMMUNICATION POLICY

Parent/Teacher/School Communication Policy

What parents can **EXPECT**

- Parent communications responded to within a reasonable time
- Requests for appointments responded to or scheduled within a reasonable time
- Parent to be notified about single serious issue or ongoing problem
- Two formal conferences per year, other meetings and calls within reason

What parents should **NOT EXPECT**

- Teachers returning a call after work hours
- Answering email in the evening/weekends
- Access to teacher's private phone number or email

When you should contact your child's teacher:

- Changes in family situation (any emergency: family, move, etc.)
- Medical issues that arise or change
- Illness lasting longer than 3 days
- Safety issues, change in behavior at home
- Family emergencies, sleepless nights, play dates, appointments (send a note)
- Ongoing and pervasive problems/concerns at school or home
- When you can't keep a scheduled appointment
- When homework takes way more time than expected, or your child is unable to do most of it independently

When you have last minute information for the teacher:

- Send a note
- Call the office and leave a message for the teacher

Communication that interferes with teaching and learning:

• Showing up at the classroom during the teacher's instructional time during the school day without an appointment

- Discussing an issue with the teacher when they come out to pick up their class in the morning and it's time for instruction to start
- Speaking to any teacher/staff in a disrespectful manner.
- Gossiping to other parents rather than discussing issues directly with the Director and staff members. Remember that you are a model of how you want your child to communicate.

Ways to help your child be more responsible and independent:

- Encourage your child to talk to the teacher about problems with homework or other issues at school. Send an email or note to the teacher so they're aware, for example, "Joe had a problem in the yard yesterday that he needs to talk to you about." Let the teacher take it from there.
- Have your child write a note to the teacher explaining why homework wasn't completed, then sign the note. This is a requirement in upper grade rooms.
- Make your child responsible for carrying their own backpack and belongings to and from school Preschoolers!
- If your child is late, bring them to the office to check-in. In the case of Pre- Kindergarten students, walk them from the office to the classroom door.

EXPULSION POLICY

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following are reasons we may have to expel or suspend a child from this center:

IMMEDIATE CAUSES FOR EXPULSION:

- The child is at risk of causing serious injury to other children or himself/herself.
- *Parents threaten physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children

PARENTAL ACTIONS FOR CHILD'S EXPULSION:

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.
- Other (explain)

CHILD'S ACTIONS FOR EXPULSION:

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/ angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.
- Other (explain)

SCHEDULE OF EXPULSION:

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be for a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks' notice depending on risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A CHILD WILL NOT BE EXPELLED IF A PARENT/GUARDIAN:

• Made a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.

- Reported abuse or neglect occurring at the center.
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other child care arrangements.

PROACTIVE ACTIONS THAT CAN BE TAKEN IN ORDER TO PREVENT EXPULSION:

- Try to redirect children from negative behavior.
- Reassess classroom environment, appropriateness of activities, supervision.
- Always use positive methods and language while disciplining children.
- Praise appropriate behaviors.
- Consistently apply consequences for rules.
- Give the child verbal warnings.
- Give the child time to regain control.
- Document the child's disruptive behavior and maintain confidentiality.
- Give the parent/guardian written copies of the disruptive behavior that might lead to expulsion
- Schedule a conference including the director, classroom staff, and parent/guardian to discuss how to promote positive behaviors.
- Give the parent literature of other resources regarding methods of improving behavior.
- Recommend an evaluation by professional consultation on premises.
- Recommend an evaluation by the local school district study team.

2024-2025 CHILD AND ADULT CARE FOOD PROGRAM LETTER TO PARENT/PARTICIPANT

Dear Parent/Participant:

Our agency depends on Child and Adult Care Food Program funds to provide meals at no separate charge to all participants. Complete information is necessary in order to receive the maximum funds available through the United States Department of Agriculture. The information will serve as documentation that our enrolled participants are eligible for the Child and Adult Care Food Program. You may complete and submit one CACFP eligibility application for all participants from the same household that are enrolled for care with our avency.

Household members include everyone in your household (such as grandparents, other relatives, or friends who live with you) who share income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you. Once properly categorized for free or reduced price benefits, whether through income or by providing a current SNAP, FDPIR, or TANF case number (SNAP, FDPIR, SSI, or Medicaid case number for Adult Day Care Participants), you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within those eligibility standards.

The income that you report must be the total gross income received by all members of your household.

The "Eligibility Income Scale" for reduced-price meals is included in this letter for your information. If your income is less than or equal to these reduced-price standards, the participant is eligible for free or reduced-price meals from the Child and Adult Care Food Program, which means increased reimbursement for our center and increased nutritional benefits for the participant.

Please complete, sign and return the form so that our center may receive maximum reimbursement. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. This form will be placed in our files and treated as confidential information. Your cooperation is vital and appreciated.
