Breed Code Reference

The Alabama BCIA breed code system consists of 4 letters or digits to represent the breed composition down to the approximate quarter of an animal. The first 2 letters or digits represent the sire breed, and the last 2 letters or digits represent the dam's breed.

DESIGNATION OF BREED CODES WITHIN THIS SALE CATALOG	
A = ANGUS	H = HEREFORD
S = SIMMENTAL	U = BRANGUS
9 = BRAHMAN	C = CHAROLAIS

Sale Terms and Conditions

1. All females selling are eligible for interstate shipment.
2. Bred heifers have been palpated by a veterinarian and are guaranteed to be bred on sale day by the consignor.
3. Open heifers are guaranteed open. If any open heifer is bred prior to sale day, it will be the responsibility of the buyer to notify the breeder at the first sign of pregnancy, so that the heifer can be returned to the breeder. The breeder will refund the purchase price of the heifer if she is in good condition and returned prior to calving.
4. Open heifers purchased in the 2026 sale can be consigned to the 2027 sale as bred heifers, provided heifers meet all requirements for the 2027 sale.
5. All persons attending the sale do so at their own risk. Neither the Alabama Livestock Auction nor personnel involved with the Herdbuilder Replacement Female Sale will assume any liability, legal or otherwise, for the safety of those attending the sale.
